ARTICLE 10 IS HELD NOT VITAL

Leon Bourgeoise Asserts Europeans Willing to Drop Clause

BRUSSELS, Oct. 25.—Leon Bourgeois, president of the council of the League of Nations talking to American newspaper correspondents last night, said that article 10 of the covenant of the League of Nations is not considered by European statesmen as a vital and essential element of the covenant.

M. Bourgeois said he had been surprised that this article 10 had caused so much emotion in the United States. He stated that article 10 could be eliminated without in any way modifying the effectiveness of the League of Nations.

"Article 10," said M. Bourgeois, "is scarcely more than a moral background to the covenant. It is not considered so important by Europeans as by Americans.

"There is really no sanction, or penalty, in this article. All penalties provided for in the covenant in order to make the league's action effective, are in other articles."

M. Bourgeois' statement was made in the course of an interview arranged for American correspondents by M. Comert, principal press official of the League of Nations. After M. Bourgeois had withdrawn the question was raised among the American correspondents as to the effect of M. Bourgeois' utterances on the presidential election in the United States. It was thereupon mutually agreed to withhold the statement until M. Bourgeois could pass upon it as being issued with the fullest authority and approval.

M. Bourgeois was seen this morning by M. Comert, who then told the correspondents he had explained to M. Bourgeois the importance of the remarks and requested M. Bourgeois to say whether he intended them to be published in the United States. M. Bourgeois replied, said M. Comert, that he understood the importance of what he was saying and was quite willing the interview should be published.

M. Bourgeois, continuing the conversation of last night and replying to questions regarding the prospect of revision of the covenant by the general assembly of the League of Nations, which meets at Geneva, November 15 next, said:

"The council of the league, being guardians of the covenant, are of course unable to go before the assembly with any project that alters the covenant. But individual states which are members of the league, may of course, propose such amendments as they see fit."

Utah Newspaper Publisher Dies

SALT LAKE CITY, Utah, Oct. 25.—Horace G. Whitney, aged 62, pioneer Utah newspaper publisher and business man, died here this afternoon of paralysis. From 1889 until last May, Mr. Whitney was general manager of the Deseret News of Salt Lake City, official paper of the Mormon church.

Lives Endangered in Oakland Fire

OAKLAND, Oct. 25.—Many lives were endangered and damage to the amount of $30,000 done late today when fire destroyed the Angelus apartments at Thirtenth and Webster streets. J. C. Combs, a cripple, was carried out of a third-story window by Patrolman J. A. Connolly.

LOAD OVER 1,000,000 CARS IN WEEK

WASHINGTON, Oct. 25.—More than a million freight cars were loaded during the week ending October 9, the American Railway Association announced today, the total having been exceeded only one-fourth.

Three Women Drown; Auto Goes Into Ditch

ASHLAND, Neb. Oct. 25.—Mrs. [illegible] Miller, Miss Irene Gerver and Miss Fern Hoffman were drowned tonight when the automobile in which they were driving overturned, throwing them into a drainage ditch and pinning them down into the water. Jesse Miller, husband of Mrs. Miller who was driving the car, was seriously injured and may not recover. Miller says the headlight from another car blinded him and he swerved from the roadway.

MARK DANIELS IS DIVORCED

Wife of Noted Landscape Engineer Says He Lived at Clubs

SAN FRANCISCO, Oct. 25—Frenca Daniels of Monterey was granted a divorce by Judge Van Nostrand yesterday from Mark R. Daniels, landscape engineer, formerly in charge of all of the National Parks of the United States. The ground was desertion.

Daniels did not contest, and Attorney Harry S. Young, representing Mrs. Daniels, said that a satisfactory property settlement had been effected out of court. Daniels, who is supervising the construction of country places at Del Monte, Burlingame and other fashionable centers, makes his home at the Bohemian Club.

In 1918, Mrs. Daniels testified, her husband, who was then serving as a major in the army, suggested that she go to Monterey and establish a permanent home there and he would join her as soon as the war was over and he had been released from military service.

She went to Monterey in July that year, she said, and when her husband was released from the army some months later he took up his residence at the Bohemian Club. She demanded an explanation and then learned for the first time that he was tired of married life and desired to be free.

Mrs. Daniels was awarded the custody of their son, Mark Jr., They were married in Berkeley in June, 1907. The corroborating witness was Mrs. Florence Stacy, 1721 Jones street.

Daniels was an assistant secretary of the interior and in charge of all national parks during President Wilson's first term.

95-Year-Old Man Is Automobile Victim

WOODLAND, Cal., Oct. 25.—Peter Juhl, 95, died here today as the result of a fractured skull, which he sustained when run down by a motor truck 10 days ago. He was prominent in this region.

END CHICAGO WHEAT PROBE

CHICAGO, Oct. 25.—Federal trade commission investigators who have been investigating charges by Senator Arthur Capper of Kansas that manipulation on the board of trade here was responsible for the recent decline in the price of wheat, has completed its work here. The investigation, it is understood, is to be pursued in all the leading grain centers, and later testimony of leading export brokers will be taken at Gulf and Atlantic ports.

While the hearings are not public, it is reported that Chicago grain dealers told the investigators the four principal reasons for the decline were begun.

Public clamor for lower prices, backed up by reduced buying power, which started liquidation in many lines.

A wheat crop above the average in both quantity and quality, coupled with bumper crops of corn and oats.

Discriminatory ocean freight rates against flour in favor of wheat which have curtailed purchases by millers, and keen Canadian competition.

FIND BOMBS BESIDE SHRINE

TOKYO, Oct. 25.—Two bombs similar in those which exploded in front of the house of representatives last summer were found here today. They were outside a shrine dedicated to Japanese soldiers and sailors which was being visited by a number of prominent persons.

Louisiana Head Asks Gins Closed

BATON ROUGE, La., Oct. 25.—Governor Parker, of Louisiana, today appealed to the cotton ginners of the south to close down for at least 30 days in order that producers may receive a "living price" for their products. The appeal was telegraphed to the governors of other cotton growing states.

Say Free Table Talk Causes Delinquency

OMAHA, Oct. 25.—Uncensored table talk was described as one of the chief causes of juvenile delinquency today by the Rev. A. W. Ryan, president of the Minnesota Society for the Prevention of Cruelty at the opening session of a four day convention of the American Humane Association.

AN ADVOCATE OF CLEAN, EFFICIENT AND ECONOMICAL STATE GOVERNMENT.

General Election, Nov. 2, 1920

Isn't this ridiculous!

People, who buy common tea with its weak vegetable taste and harsh tannin taste, pay just about as much to bring it over here from the tea-plant as they would pay for fine tea like Schilling's.

You wouldn't do such a thing, would you?

When you pay all those costs for picking, curing, transportation, etc. (which are a big part of the price of tea) you want real tea, with its full flavor and restful invigoration.

Special Demonstration of the Famous "One-Minute" Electric Washer and Wringer

A Direct-From-the-Factory Demonstrator

IS holding educational demonstrations each day this week. This special factory expert will devote his entire time to this store during this demonstration of the "One-Minute" Electric Washer and Wringer.

—it is to be an educational week for us, as well as the public, and will be interesting.

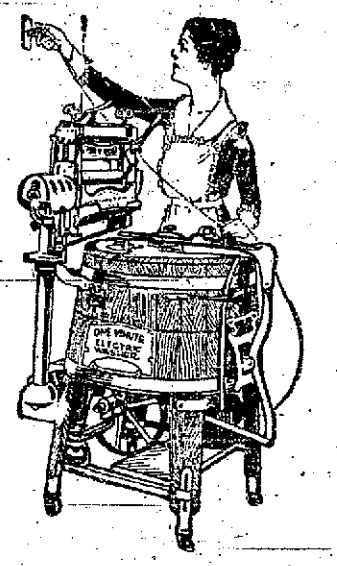

—come and see this wonderful labor-saving, efficient household necessity.

—see and hear all about it.

—what it will accomplish.

—how easily and simply it operates.

—how small the cost—you will wonder how you have kept house without one.

A Washer of Unequaled Possibilities

—a good sized wash in an hour.

—a mechanical servant.

—will save its cost while you are paying for it.

—does the work perfectly; no woman can do it so well.

—and saves wages of wash-day help.

KNOWN for its simplicity, it will give you no trouble or bother whatever—the mechanical connections are simple to operate as a common electric iron; smooth running transmission gears are practically noiseless in operation.

The ONE-MINUTE either washes and wrings at one operation or separately, making it convenient for you to rinse one batch of clothes while another is being washed; the wringer is of the three-position, swinging reversible style, and equipped with the finest rolls made; rolls are immediately reversible, and have instant release.

---Sold On Our Easy Pay Plan --- $5 First Payment

THE balance $10.00 monthly—such a small amount you will never miss it and besides the savings you make during the month by using the "One-Minute" Washer and your regular laundry bills will in most instances more than make up the payment you make—a saving not only in money, but energy and wear and tear on clothes.

What a One-Minute Washer Has Done for Others, Will Do for You

—it will do a big family washing in one hour and fifteen minutes—will do it itself—and at an expense to you of less than five cents. Think of it!

—put in your hot water and soap with the clothes—start the machine going—then in a short time stop the machine—take out the clothes

—rinse them — run them through the power wringer and they are ready for the line—white and clean.

—the One-Minute—made of cypress — holds the heat.

You do not need to reheat or change the water.

—it is claimed that the saving of wear and tear alone on the clothes will pay for the machine in one year.

—is not this, then, a good investment?

—good-bye to Monday drudgery.

Know These Important Facts About the One-Minute Washer

—made from Southern cypress—the wood of eternal life.

—entire construction of the machine simplicity itself.

—guaranteed electric motor — entirely out of the way—under the machine.

—height of the machine adjustable to the convenience of the user.

—easily drained and cleaned—always sweet and clean.

—equipped with an 11-inch power-driven wringer—which will take blankets or comforts as easily as handkerchiefs.

—equipped with steel ball-bearing casters.

—10-foot reinforced extension cord furnished free. Connects up with any light socket.

—not only washes but also wrings the clothes.

—saves wear and tear on clothes as it washes without rubbing.

—does a washing of any size without work or worry.

STATE LEADERS AT CONVENTION FRUIT GROWERS

Big Associations to Be Represented By High Officials

Preparations Being Made to Entertain Large Attendance

The fifty-third fruit growers' and farmers' convention of California, which opens in Fresno on November 9 for a four-day session, will bring some of the leading figures in the state here, according to the program of the convention announced yesterday.

The sessions will be presided over by G. H. Hecke, director of agriculture, and on the program appear, among others, Colonel John S. Chambers, state controller; William S. Sproule, president of the Southern Pacific; Congressman H. E. Barbour, and Governor William D. Stephens.

Unusually large attendance at the convention is anticipated, according to Fred P. Haullard, county horticultural commission. Preparations are being made by the chamber of commerce for the entertainment of the visitors.

The program of the convention follows:

Tuesday, November 9

9:30 a. m.—G. H. Hecke, director of agriculture, presiding. H. E. Patterson, secretary of Fresno Chamber of Commerce, opening. Invocation. Address of welcome, Mayor W. F. Toomey. Response to opening address, G. H. Hecke, state director of agriculture. "Our Present and Future Problems," by various co-operative association—California Associated Raisin Company, F. A. Seymour, assistant to the president; California Peach and Fig Growers' Association, F. H. Wilson, president.

2 p. m.—G. B. Daniels, state market director, presiding. California Fruit Growers' Exchange; California Walnut Growers' Association, Carlyle Thorpe, manager; California Almond Growers' Exchange, Geo. W. Pierce, president; California Pear Growers' Association, Frank W. Swett, president and general manager; California Prune and Apricot Growers' Association, H. C. Dunlap, secretary-treasurer; California Fruit Exchange, G. Cutter, president; California Fruit Distributors, Wilmer Sieg, sales manager; "The Farmer and the Fair," George C. Roeding, president State Agricultural Society.

Wednesday, November 10

9:30 a. m.—Standardization, Transportation, Freight Rates and Protective Tariffs," G. H. Hecke, presiding; "Shipping Point and Terminal Market Inspection Service," O. W. Schleussner, sales manager, American Fruit Growers, Inc.; discussion, by F. W. Read, specialist in standardization, State Department of Agriculture, Sacramento. "Commercial Value of Standardization," J. C. Whitten, professor of pomology, University of California, Berkeley; discussion, by George P. Weldon, pomologist, Chaffey Union High School and Junior College, Ontario, Calif. "Interesting Factors in Vegetable Marketing," Thomas O'Neill, president California Vegetable Union, Los Angeles; "Problems Confronting the Canning Industry," Charles M. Bentley, vice-president and sales manager, California Packing Corporation, San Francisco.

2 p. m.—"The State Government's Responsibility to Agriculture," Colonel John S. Chambers, state controller; "Marketing California Deciduous Fruits Under Increased Freight Rates," J. L. Nagle, manager California Fruit Exchange, Sacramento; "Prospective Freight Service for California Perishables," William S. Sproule, president Southern Pacific Company, San Francisco; discussion by Charles B. Hills, vice-president Sacramento-San Joaquin Bank, Sacramento; "Transportation Suggestions to the Railroads," Charles E. Virden, president Virden Packing Company; discussion by A. P. Humphrey.

Thursday, November 11

9:30 a. m.—E. J. Wickson, editor Pacific Rural Press, San Francisco, presiding. "Important Phases of Crop Statistics," E. E. Kaufman, statistician, California Co-operative Crop Reporting Service; "Freight Rates and a Protective Tariff," G. Harold Powell, manager California Fruit Growers' Exchange, Los Angeles; "Advertising as a Stimulus in Marketing of California Products," H. J. Eustace, western representative Curtis Publishing Company, San Francisco.

2 p. m.—Legislation and report of agricultural legislative committee; report of resolutions committee.

6:30 p. m.—Banquet. Wylie M. Giffen, president California Associated Raisin Company, Fresno, toastmaster; Governor William D. Stephens, E. O. McCormick, vice-president Southern Pacific Company; H. E. Barbour, congressman, Seventh California district; Ellis Purlee, western manager Chautauqua circuit, Sacramento.

Friday, November 12

9 a. m.—Dehydration, convention, E. M. Sheehan, manager California Grape Exchange, San Francisco, presiding. "Sun Drying vs. Evaporation," P. F. Nichols, United States Department of Agriculture, Bureau of Chemistry, dehydration investigations; "Rain Damage Insurance," W. V. Cruess, University of California fruit products laboratory; "Prevention and Control of Insects in Dried Fruits," E. R. de Ong, University farm, entomology division, Davis; "A Successful Co-operative Evaporator," Burle J. Jones, farm adviser, Placerville.

2 p. m. "Relation of Fruit By-Products to Horticulture," F. T. Swett, president California Pear Growers' Association; "Evaporator Efficiency," A. W. Christie, University of California fruit products laboratory; "Drying of Prunes in Oregon," Ray T. Towers, United States Department of Agriculture, Bureau of Chemistry, division of dehydration investigations, Oregon section.

Potato Growers' convention.

(The Dehydration convention and the Potato Growers' convention are to be held simultaneously.)

Woman Guilty of Battery Charge; Fined One Cent

Nora Williams, charged with battery, pleaded guilty before Judge Graham and was fined 1 cent. Mitigating circumstances which were introduced in evidence by counsel for the defense convinced Judge Graham that the woman was provoked into committing battery upon the complaining witness and the minimum penalty was accordingly pronounced.

ROWELL TO BE RALLY SPEAKER

Will Appear Thursday Evening With Heney In Fresno

Announcement was made yesterday by Russell Ulher, Democratic county chairman, that Chester H. Rowell will make one of the two principal speeches from the stage of the civic auditorium on Thursday evening in the closing rally of the Bourbon campaign in Fresno city.

Mr. Rowell, who has just returned from Southern California, where he made several public appearances in the interests of Senator James D. Phelan's re-election, states that he has two speaking engagements on Thursday evening, but is expected to occupy a few minutes of the program in explaining the reason for his desertion of Senator Harding in favor of Gov. Cox.

He will speak from the same platform with Francis J. Heney, who was his successful opponent for the Progressive senatorial nomination six years ago. Heney is billed as the principal speaker of the meeting, which is expected to attract delegations from all parts of the county.

Judge M. K. Harris has been designated as the chairman of the meeting, while members of the county central committee will act as honorary vice-presidents.

Three Injured in Highway Accident

Crowded off the highway into loose dirt at the side of the highway two miles north of Reading Park, an automobile driven by Mrs. James M. Erskine of Malta was turned over and badly wrecked yesterday morning causing painful and semi-serious injuries to three of the occupants. Mrs. Erskine was driving the car from Visalia to San Francisco at the time.

James M. Tooley of 1091 Bush street, San Francisco, was the most seriously injured. He sustained a fractured left shoulder and four fractured ribs on the left side. He was removed to a local sanitarium.

Mrs. Erskine, who resides at 215 West School street, was less severely injured, sustaining severe abrasions of the left elbow and of both legs. Her six year old daughter, Jean Dorris Erskine, received identical injuries.

Find Woman Guilty Disturbing Peace

Mrs. Dora Robbins was found guilty of disturbing the peace by Judge Graham yesterday, following a trial which was attended by many interested persons. Mrs. Robbins was accused of the crime by Mrs. Alex Poon, following a verbal broadside of unkindly epithets which Mrs. Robbins hurled at the woman, it was alleged. Mrs. Robbins will be sentenced tomorrow.

JAMES W. FAGAN LAID AT REST

James W. Fagan was buried yesterday afternoon at Mountain View cemetery. He was a prominent Mason and Odd Fellow of St. Joseph, Missouri, coming to California about a month ago for his health.

Suburbanites Lose Suits' First Point

R. H. Ramsey and others owning property just outside the east limits of Fowler yesterday lost the first point in their suit against Fowler city and the incorporation officials to compel a continuance of interrupted sewer and water service. Judge D. A. Castlin denied the motion of the plaintiffs attorneys against the city for a temporary injunction against the suit.

The property owners set up the claim they were invited to connect with the city mains and relying on an illegal and prohibitive contract service did away with their domestic water supply. When an annexation election in the district was beaten by a local contest the service was cut off, they declared.

Attorneys for the city took the position the authority of the trustees ended at the corporate limits and that no contracts for service outside the city under the law or in fact, could be made except on a month to month basis and then only when a surplus of water existed.

Belmont Contract Complete By Nov. 15

Conditional on good weather and a steady supply of materials the Federal Construction Company expects to complete its Belmont avenue paving contract by November 15, according to H. W. Quillian in charge of the company office here.

But a part of one block more of foundation is yet to be laid, while the work of laying the surface is to start on the Van Ness avenue end at once. The material for this is about all available and the plant is installed.

419 Eggs From 20 Hens In 30 Days

Mr. Dougherty Got This Result in October. Plan is Easily Tried.

"I tried Don Sung and the results were far past any expectations. I got 419 eggs in 30 days from 20 hens while moulting. I think this is wonderful, as they hardly laid at all before."—Frank Dougherty, 5940 E. 11th St., Indianapolis.

Mr. Dougherty bought $1 worth of Don Sung in October and wrote this letter in November. Figure his profit on 35 dozen eggs from hens that formerly laid little or nothing.

This may sound too good to be true, but it costs nothing to find out. Well make you the same offer we made him. Give your hens Don Sung and watch results for one month. If you don't find that it pays for itself and pays you a good profit besides, simply tell us and your money will be cheerfully refunded.

Don Sung (Chinese for egg-laying) is a scientific tonic and conditioner. It is easily given in the feed, improves the hen's health and makes her stronger and more active. It fixes up the egg-laying organs, and gets the eggs, no matter how cold or wet the weather.

You can obtain Don Sung from your druggist or poultry remedy dealer, or send $1.04 (includes war tax) for a package by mail. Durrell-Dugger Co., 214 Columbia Bldg., Indianapolis, Ind.

DON SUNG
Chinese for Egg-Laying

ITINERANT YOUTHS WARNED BY TRUAX

Coliseum Pool Hall Is Raided; Boy Told to Find Work

In a preliminary step to "clean-up" Fresno of an undesirable element of idlers and gangsters who hang around certain pool halls, Chief of Police Frank Truax yesterday caused the gathering in of fifteen youths for observation at police headquarters. While none of these, who were detained, were arrested, they were all released on a warning that in the future they were to obtain employment and keep away from the pool halls.

The raid took place at the Coliseum pool hall during the afternoon. A large number of youths, some of whom were high school boys under 18 years of age, were found congregated at the place.

Chief Truax has constantly received complaints from persons regarding the condition of affairs at the place. Many persons have complained that women have been unable to pass the Coliseum without being insulted.

Yesterday's raid is but the first of a number to follow. Those who are arrested in the future will be placed in jail and ejected out of town, according to the chief.

Instant Beauty

Lines and wrinkles are first sign of old age. Why have them when they can be removed instantly? And I give you the secret how to keep yourself perfect the rest of your life.

RE-ELECT McKEEN TO THE ASSEMBLY SAYS C. A. FOSTER

The following warm endorsement of B. W. McKeen's candidacy for the Assembly appears in the latest issue of the Fowler Ensign:

"In order to clear up more or less confusion in the minds of many voters of this vicinity, the Ensign would state that Hon. B. W. McKeen of Kingsburg is the Republican nominee for the Assembly from the 50th Assembly District. He will be opposed at the polls by but one other candidate, E. E. Slater of Tranquillity, who has been appointed the Democratic nominee by the county central committee. It is important to remember that Mr. McKeen's record on all "Dry" measures has been of the best; that he has stood for the Harris law and all kindred measures that were designed for the betterment of our social life. He served on important committees, voted in the right on all measures of public interest, and was known as a hardworker for his district and for the good of the entire state. No "dry" Republican or "dry" Democrat, for that matter—should think of casting a vote against Mr. McKeen. Too much is at stake. It is a lamentable fact that the administration has grievously "fallen down" in its efforts to enforce the prohibition law, and it is by no means certain that the Harris law will be sustained at the polls. It is, therefore, necessary that a legislature favorable to prohibition enforcement should be elected this fall. Only true and tried men should be elected to the Assembly. A vote for Mr. McKeen will be a vote cast for a member who has shown by his acts in the Assembly that he favors all prohibition measures, and can be depended upon to re-enact, so far as his vote will go, new laws to replace the Harris law should the latter be defeated."

Amendment 13
COMMUNITY PROPERTY ACT
Hinders and complicates business generally and makes it difficult to buy or sell any property from a sewing machine to a house and lot.

The Wonder
A Store of Women's Fashions

THE WONDER HAS GATHERED TOGETHER A REMARKABLE SELECTION OF COATS AT $29.50, $39.50, $49.50 AND $59.50—ALL OF THEM WONDERFUL VALUES

BUT HERE ARE SOME BEAUTIFUL NEW COATS

—That You Should Not Miss

AT $65.00 AND $69.50

—A selection of New Coats to add new interest to the hundreds of coat values that are so abundant at The Wonder.

—Coats of wool Velour, novelty soft toned Mixtures, Chiffon Broadcloths in colors of stone blue, zanzibar brown, Beaver, Midnight blue, black, all of them lined with beautiful Figured silks.

—The new generous "wrappy" styles with deep set-in sleeves—cape suggestions, slightly held in at waist—Hudson seal fur collars or deep collars of self material—self color silk braided point designs, etc., etc.

—Make a mental note of these splendid coats at $65 and $69.50 and see them at The Wonder today.

A Wonderful Collection Of

GIRLS' WINTER COATS

—is ready for every little girl of 8 to 14 years of age—at The Wonder.

—Coats in dozens of styles—many of them in simple, youthful styles—many of them elaborate with furs and trimmings—all of them as fine and serviceable as coats can be.

—And they are splendidly tailored of Velours, Cheviots, Bolivias, Silvertones, Broadcloths, in such colors as Nanking Blue, Zanzibar Brown, Taupe, Beaver, Navy, etc.

—Clever little models with deep cape collars—high-waisted pinch-back types—box pleated ideas—some trimmed beautifully with silk stitchery.

—Their prices range from $16.50 to $95.00.

Charming New Wool Sweaters for $10

—And you will pronounce them the most attractive sweater values that one could wish to see.

—Novelty woven sweaters with rope tie belts and trimmed with Angora Tuxedo collars and Angora cuffs in contrasting shades, they are as smart and fascinating as they can be.

—Black and White, Red and Black, Tan and Chocolate, Copenhagen and Taupe, American Beauty and Black are just a few of their color combinations.

ELEGANT BLOUSES ARE $9.95

—And please regard them as being decidedly out of the ordinary both as to price and character.

—They are the new Georgette Blouses in both tuck-in and tie-on styles in colors of Navy, Bisque, Taupe, Brown, Flesh and White.

—Dainty tucked fronts and filet laces are employed on many—rich silk embroideries—applique and soutache braiding on others, novel collar ideas, long and short sleeves.

—And they are specially priced at $9.95.

Society

Mrs. Harry Coffee entertained yesterday afternoon complimenting her house guest, Miss Estelle Cera of San Francisco who is her house guest and also Mrs. Elmore Winkler, a bride of a few weeks. In an interesting game provided for the pleasure of the guests, Mrs. Fred Johnson and Mrs. Al Pollock won the prizes. Instrumental numbers by Mrs. I. Lesser and songs by Mrs. Pollock were greatly enjoyed by the guests. Later, delicious refreshments were served at a table having for a centerpiece a basket of variegated colored zinnias. Harberry candles further decorated the table and attractive place cards scheduled the names of Mesdames Harold Kay, Harold Oser, Herbert Levy, Melvin Levy, Louis Mendelssohn, J. Riese, Al Pollock, Jesse Epstein, I. Lesser, Fred Johnson, Myer Wahrhaftig, Paul Newman, Elmore Winkler, Harry Coffee, Miss Estelle Cera.

* * * *

Miss Sybyl Healy entertained a group of friends at a lovely Hallowe'en party Friday evening at the William Healy home on Peralta Way. Hallowe'en decorations prevailed and dancing was enjoyed until a late hour. Punch was served in the dining room, and late in the evening dainty refreshments were served cafeterian style.

Among those who enjoyed the pleasures of the evening were Misses Leona Dress, Marguerite Brown, Elizabeth Frye, Dorothy Farran, Mildred Anton, Eleanor Whitney, Katherine Whitney, Doris Higgins, Mary Sanford, Ruth Wedin, Dot Peacock, Helen Neads, Lena Serna, Elizabeth Serna, Lewis Coelho, Jack Curtis, Egbert Weeks, Lawrence Pearcuch, John Miller, Clarence Staples, Raymond Wickersham, Billy Thomas, Steve Bancroft, Lunton Files, Leroy Files, Edward Sanford, Alton Sell, Myron Carr, H. E. Scofield, Mrs. Alva Peacock Mr. and Mrs. William Healy.

* * * *

Mrs. S. W. Marshall will leave Wednesday evening for Los Angeles to spend the winter with her daughter, Miss Minnie Marshall. The latter has been in the southern city for the past several years where she has been studying voice and also has been doing a good deal of accompanying for other singers.

* * * *

Miss Huldah Erickson left for San Francisco last evening and will sail from there on Wednesday noon for an extended pleasure trip to the Hawaiian Islands.

* * * *

Little Denyse Wolfred, daughter of Mr. and Mrs. F. B. Wolfred, planned and carried out a delightful surprise birthday party for her mother on Saturday afternoon at her home on Mariposa street. At the close of the afternoon, delicious refreshments were served. Among the guests present were Mesdames William Jones, E. Kiette, C. Harris, A. Smith, V. J. Cox, C. Curran, D. S. Meacham, M. Wolfred, C. Thorp, J. Humberbird, F. R. Wolfred, Misses Garna Meacham, Denyse Wolfred, Master Jimmie Thorp.

* * * *

* * * *

Fresno Chapter, No. 235, Order of the Eastern Star, will give a whist party this evening, followed by a short business session, to which all members are invited to be present.

* * * *

Members of the Elks' lodge, with their specially invited guests, will enjoy a Hallowe'en dance in the lodge rooms Thursday evening.

* * * *

T. J. Bollinger was given a delightful surprise party last Friday evening, the occasion being his 48th birthday. Refreshments were served late in the evening. Among the guests present were Messrs. and Mesdames T. J. Bollinger, M. M. Griffith, Glenn Griffith, Oscar Rasmussen, Mrs. Fannie Church, Misses Dale Griffith, Comet Brown, Dorothy Bollinger, Onita Vance and Doris Griffith.

* * * *

A very pretty wedding took place Saturday afternoon at 1:30 o'clock at the home of Mr. and Mrs. Jen Rasmussen, 415 Ferger avenue, when their daughter, Miss Edna, became the wife of Alfred A. Bolton, son of Mr. and Mrs. John P. Bolton of this city.

The service was read by the Rev. Joseph E. Stermer, pastor of the First English Lutheran church of this city.

The bride and groom were attended by Miss Henrietta E. Frank and M. J. Helmer, both of this city, as maid of honor and best man, respectively.

Only immediate relatives and friends witnessed the ceremony, after which a reception was tendered all present.

The young couple left Fresno later in the afternoon for a ten days' sojourn in the northern part of the state, and upon their return they will reside with the bride's parents.

* * * *

Mrs. W. P. Miller will read "Smiling Through" before the assembly of Fresno Normal school students this morning at 10 o'clock. The public is invited.

In the Lodge Room

Degree of Pocahontas.

Direct Street Traffic By Whistle in Winter

Corporal Clifford Zarre, head of the city traffic squad, has announced a slight change in traffic regulations for the street corners in the downtown district. During the rainy season, the traffic officers will stand under shelter on one of the corners and will direct traffic by blowing a whistle. One blast will send the traffic east and west while two blasts will send it north and south.

The following were arrested yesterday for violating the city and state motor laws: R. E. Graybell, L. Roth, D. Johnson, M. Urpiola, P. W. Puckett, Leo Sarafian, J. G. Denjian, C. Beaver, F. K. Prescott, J. Sangamana, W. B. Lewis, A. D. Magredian, Schultz Painting company, Aram Marlotan, P. H. Hartley, A. Barbick, Leon Bland, A. B. Christiansen, G. L. Currell, Jurich Mikami, J. P. Shepard, W. P. Barr, C. O. Barton, E. C. Barkhardt, F. W. Farrar, M. Katz, F. M. Sales, M. Fuller, O. Piersantini, M. B. Swanson, R. B. Beebee, T. Sakota, J. W. Brown, J. D. Bingham, S. S. Barclay, A. Gray, W. S. Henderson, A. P. Brooks, M. McPhee, S. E. Lowrey and William Schreiber.

Daily Fashion Hint

Prepared especially for The Fresno Republican.

VERY CHIC IN SERGE.

Alluring and graceful is this one-piece costume for semi-formal wear. It is carried out in dark brown serge of fine quality. The waist has the fronts extended at each side, the extensions falling to the bottom of the skirt, where they are tucked under. This odd arrangement is further emphasized with a dainty border of embroidery—and the trimming is repeated on the sleeves and round neck. Medium size requires 3¼ yards 44-inch serge.

Where Price and Quality Meet

Beautifies Gray Hair

Co-Lo restores the natural color, life and luster to gray and faded hair in a manner nature approves.

Co-Lo Hair Restorer is a natural beautifier for gray hair—a scientific process perfected by Prof. John H. Austin of Chicago, over 40 years a hair and scalp specialist.

The Ten Co-Lo Secrets

1. Co-Lo is a wonderful liquid.
2. Clear, odorless, greaseless.
3. Without lead or sulphur.
4. Hasn't a particle of sediment.
5. Will not wash or rub off.
6. Will not injure hair or scalp.
7. Pleasing and simple to apply.
8. Cannot be detected like the ordinary hair tints and dyes.
9. Will not cause the hair to split or break off.
10. Co-Lo can be had for every natural shade of hair.

Prof. John H. Austin's CO-LO HAIR RESTORER —Sold By— ALL OWL DRUG STORES.

Is Your Home Comfortably Heated?

—Or can it have to contend with smoke or soot?

—Do away with this inconvenience by installing a community Oil Burner. It will not smoke or give out a sickly-smelly heat. This burner is clean, even-burning, and will keep your entire home warm and comfortable.

—At the present price of coal the Community Oil Burner will save you money, as the cost of oil is much less than coal.

—Let us install one in your home.

COOPER'S

Quality to the Utmost

Club News OF THE SAN JOAQUIN VALLEY DISTRICT

A joint meeting of the Fresno and Kings counties Federation of Women's clubs will be held in Fresno, at the Parlor Lecture Club on Wednesday, November 10. Mrs. Gibson who will address the meeting on "Americanization," will be accompanied by Mrs. Mollie Bloom Flagg, president of the San Joaquin Valley District Federation. It is desired that this be a large meeting and not only club members but all others interested are invited.

* * * *

The Home Department of the Parlor Lecture club will entertain with a dancing party Thursday evening, to which all club members, with their grown up sons and daughters, and their escorts, are invited. Cards will be provided for those wishing to play bridge.

* * * *

L. R. Hayhurst will be the speaker on Wednesday evening, at 8 o'clock, at the Parlor Lecture club, when the Civic department of the club invites the public to attend. The city charter will be under discussion.

* * * *

The Woman's Improvement Club of Newman are giving a reception Thursday eve for the teachers of both schools, the trustees and the parents of the teachers. A musical program and cards will furnish the entertainment.

The light fixtures have been installed in the new library building and the reading room is now open to the public in the evenings.

* * * *

A joint meeting of the board of directors and the bazaar committee of the Tuft Woman's Improvement Club was held at the home of Mrs. C. L. Williams, Seventh and Kern, Friday afternoon. All present were very enthusiastic for the coming bazaar, and it was also decided to have an old paper and magazine drive, the funds to be added to the building in view. Arrangements will be completed for this drive later. Those present were Mesdames Oliver, Hatfield, Martin, Jastro, Moore, Follensbee, Johnston, Morris, Small, Brown, Zellers, Adkisson and Williams.

The members have joined the Club so far this year are: Mesdames Tyler, Flesher, Wilder, Nox, Knight, Delaney, Thompson, Edwards, Murray, Liles, Cooney, Oberick, Walheni, Marshall, Jones, Perryman, Coster, Maize, Macomber, Cullen, Cahl, Claypoole, Pittman, Durbin, Leahy, Gollum, Carpenter, Fritz, Edmundson, Wilson, Peterson, Dillon and the Misses C. S. Conklin, G. Spellacy and H. Knight.

The number of new names coming in is very encouraging to the older club members.

* * * *

The Coalinga Woman's Club met in regular business session Wednesday afternoon, and important questions were brought before the club and discussed. The names of two new members were presented and unanimously accepted for membership.

At the close of the meeting, Mrs. R. W. Dal as gave an interesting and instructive talk on the Japanese exclusion act, which comes up for decision in November. Miss Davis rendered a beautiful piano solo, and Mrs. Gray gave two vocal numbers in her usual pleasing manner.

Mrs. H. S. Richmond, chairman of Parks, gave a splendid report of the auto camping grounds, this section of the club being instrumental in its building.

The Coalinga Woman's Club is planning to give a chrysanthemum fete and fancy work exhibit at the library auditorium about the middle of November. Fancy work will be entered under four heads: Embroidery, crocheting, knitting and miscellaneous. Knitted and crocheted garments will also be entered. In connection with these there will also be exhibits of the following: Hand-painted china, heirlooms and curios, and canned and preserved fruits and jellies.

The intermediate and high schools will have exhibits on display, according to preliminary plans being made by those in charge of the fete.

Prizes will be awarded for chrysanthemums as follows:

First—Best collection of varieties; not less than five flowers must be shown of each variety.

Second—Finest single flower.

Third—Finest six flowers of any one variety.

These prizes, says the announcement, are for amateur gardeners. Should professional growers wish to enter they will be awarded separate prizes. Ribbons will be awarded in all other departments of the exhibition.

* * * *

Mrs. O. A. Clasen presided at the meeting of the Delano Woman's club Saturday afternoon, the subject being "Legislation" and a very interesting address on that topic being given by Mrs. Grace S. Dorris, Kern county's first assemblywoman. The community property amendment which club women are favoring, was discussed at length. There was a goodly attendance and much interest shown in the discussion.

* * * *

Poppy sales for the benefit of the American-French Children's fund, conducted in Bakersfield, Saturday, netted more than $300, according to Mrs. Cyril G. Garrett, who with Miss Juno Schley, principal of the Emerson school, Mrs. A. Wehl, Miss Grace Hird, and the teachers of the Edison, Williams and Washington schools, contributed to the success of the sales. Eighth grade girls of the schools mentioned sold the poppies. The fund will go to the children of the devastated regions of northern France.

* * * *

In the review of current events before the Bakersfield Womans club, Alice Barrett Greenwood, in the first of a series of monthly reviews before the club, said that neither of the major party candidates is a "forceful personality," and on the league of nations, Harding represents the side opposed to the league, and Cox and Wilson the league side. Neither candidate suits the drys, she said, but the probabilities are that the Republican party will win the election. Both Shortridge and Phelan are committed to a definite Japanese policy, on which both agree, and whichever candidate is elected, declared the speaker, "he will have to take some action on the Oriental question."

Mrs. Greenwood thought that the League capital, Geneva, was ideal for the purpose, and she dwelt on the associations of art and literature which predominate there. The American soldiers are occupying German territory "without orders" from the war department," because in the unsettled conditions of our politics the war department dare not give orders.

Mrs. Greenwood took a fifty-fifty attitude on the community property law, and urged the club members to close study of the proposed amendments.

The decline in prices which affected the automobile industry, has not been widespread in other commodities.

England will be under prohibition laws in ten years Mrs. Greenwood predicted.

In the realms of pictures "Humoresque" was given a sendoff by the speaker, and of books mention was made of O'Brien's "White Shadows of the South Seas," the memoirs of Empress Eugenie, autobiography of Lady Asquith and Charmion Lenton's biography of the great novelist which was too long to be printed in America but took well in London.

Ida Rubenstein was mentioned as the successor of Sarah Bernhardt, and Belasco's "One" starring Francis Starr, was commended as the leader of the season.

SUPERIOR COURT NOTES.

A complaint containing two causes for action for alleged personal injuries to himself and his wife, Jane, was brought yesterday by Francisco Romero Romero against H. H. Nutting and Harry Hardwick, stage line owners. The Romeros were passengers in a motor stage which collided with a passing automobile on Oct. 11. They ask damages in the sum of $2,000, or $1,000 on each count.

An action for the collection of $2806 alleged to be due him for the delivery of 44,896 pounds of peaches at a contract price of $125 a ton was filed yesterday by C. F. Walker against G. E. Hyde & Company.

Judge Judge H. A. Gashin yesterday gave judgment of $2000 to Hollie Fotes in her action against Pete Papopolous for damages covering personal injuries received in a physical assault on her by the defendant. Unrequited love was said to have been responsible for the attack. Papopolous was yesterday given probation after pleading guilty of a criminal charge based on the incident.

Demanding an accounting and a division of the profits of a partnership from which he charges he was forced by a conspiracy, Garabed Der Stephanian yesterday sued K. Mesrikian, M. Erljerian, George, Paul and H. Kandarian. He asserts the land farmed by the partnership produced about 55 tons of Thompson seedless grapes and 56 tons of Muscat grapes and that he has received none of the profits.

Informations on criminal offenses were filed with the county clerk yesterday against Abraham Mazzantini and H. Byers. The former is charged with selling liquor in no-license territory and the latter of driving an automobile without the owner's consent.

Amendment 13

COMMUNITY PROPERTY ACT.

Provides for the payment of "community debts." There is no legal definition of community debts in California.

Vote NO

Our Men's Shop Features In the

Winter Coat Week

With a Good Selection Of High-Grade

OVERCOATS

at $45

The very best reason in the world for our selling these overcoats at this low price—is simply this—our buyers are in close touch with the markets, and finer coats have been bought at the new-price basis.

They are "far above last year in quality, but far below last year in price."

They are Hart Schaffner & Marx and Ross-Made Overcoats, made to sell at much higher prices, but brought to you now at lower prices. Volume buying and a policy of minimum profits is at the service of every purchaser.

The Boys' Shop Has Entered the Coat Week With

Overcoats in an Unusual Collection

Overcoats of warm woolen materials, sturdy enough to withstand the hardest wear and in a fine variety of snappy models that will meet with the approval of mothers as well as please the boy himself.

Overcoats for Little Boys

From Two to Ten Years of Age

Smart little single and double-breasted models with belts and convertible collars—there is a splendid selection of popular overcoat materials in brown, green, gray and blue mixtures as well as solid colors; they have plain or plaid linings. The prices range from $9.50 to $18.50

Overcoats for Bigger Boys

From Ten to Eighteen Years

Overcoats that are made from the same kind of all-wool fabrics as the overcoats sold in our Men's Shop—They're in single and double breasted models with convertible collars and the most of them have all around belts. In solid colors and mixtures and in every wanted fabric. There are many Hart Schaffner & Marx Coats included. They're priced from $20 and up.

GIVE HARDING'S VIEW ON WHEAT

Republicans Reply to Charge of Limiting Grain Prices

CHICAGO, Oct. 25.—National headquarters issued a statement last night that Senator Harding's opponents were widely and mendaciously circulating reports that the election promising guaranteeing the American farmer more than a dollar a bushel for wheat during the war.

"The facts are that Senator Harding voted to guarantee the farmer $2.50 wheat while President Wilson, when the power was placed in his hands, fixed the guarantee notwithstanding the statement.

"Senator Harding's references to dollar wheat, made in an address at the Minnesota state fair grounds, had no reference to the price of wheat in war time. He was talking about the price of wheat in times of peace prior to the great war. He was not even talking of the price of wheat under conditions since the war ended.

"While the Lever bill to encourage food production was before the senate July 3—1917—Senator Harding stated:

"I said that raising 31 wheat was a profitable occupation in times of peace, and I said to the Senator from North Dakota, Mr. MacumberI that the knowing farmers of the country are buying land in Ohio at $150 an acre for the purpose of raising wheat profitably in the time of peace.' This was a reference to wheat producing in the days of peace when dollar wheat was looked on far differently from what it was in the war period or would be now in the unsettled conditions following the war.

Garble Statement.

"Senator Harding's opponents, though they know perfectly well that Senator Harding voted for $2.50 wheat, nevertheless garbled the statement which he made by cutting out the last seven words—'in times of peace to be sure'—and circulating the rest of it so as to give the impression that Senator Harding wanted to hold the farmer down to dollar wheat in war times."

"Our campaign has been for a revival of loyalty and patriotism in this country," the message added. "It has had for a main purpose the re-establishment of an economical, efficient, constitutional business administration of the government at Washington.

"We fight for 'American First.' This means, not only the preservation of our constitutional independence against super-government abroad; this means not only the protection of constitutional functions against White House theft of authority at home, but 'America First' equally means that the scores of Democratic problems close to every American household and which have been shamelessly neglected must and shall have the constructive and progressive attention absolutely necessary if 'America First' is to last.

GREEK KING DIES FROM MONKEY BITE

(Continued from Page 1.)

announced that the Greek constitution did not grant him permission to enter upon the morganatic marriage and that action by the Greek parliament would be necessary to determine whether Mlle. Manos could become queen of Greece or remain the King's official comfort. Alexander's refusal to give up his wife was said to have greatly worried Venizelos and their close friends reports that the King would not return to Greece. He did so, however, and witnessed Greek operations in Thrace in the summer of 1920 entering Adrianople, which had been surrendered to the Greek troops, amid a great demonstration.

Bitten October 3.

On October 3 he was bitten by a monkey while endeavoring to protect his dog from an attack. His wound became infected and several operations for the removal of flesh were performed. His condition for several days was reported to be critical.

The monkey's attack on the king recalls a somewhat similar episode that occurred in the spring of 1919, when the youthful monarch was bitten by a dog which had been presented to him by an admiring member of the Scottish Woman's Hospital at Salonika. The correspondent of the Associated Press who visited the king at his palace in Athens at that time found the king wearing his right arm in a sling.

"Did you shoot the dog?" he was asked.

"No," he replied, "he's only a pup and I decided to give him another chance. He bit me only in a playful spirit."

The king at one time was reported engaged to an American girl, Miss Josephine Kelly of St. Paul, Minn., a stenographer employed by the Greek Commission of the American Red Cross, but it is said that he actually announced his engagement to her in Corinth the early part of 1919. Miss Kelly, however, who returned to this country a few months later, denied the report and subsequently was married to an American soldier.

Miss Kelly frequently was invited to receptions and tea parties at the palace and danced occasionally with the King, who was particularly fond of the society of American women.

King Alexander was tall, of medium build, blond hair and fresh complexion. He invariably wore a monocle. He had many of the features of his mother, Queen Sophie. His education was gained from private tutors and he had an excellent command of English. His favorite pastime was automobiling. He owned several American cars which he used to drive through the streets of Athens at high speed. He was personally popular among his people, but was not liked by the followers of his deposed father, King Constantine, who were anxious to return the older man to the throne. He exercised little power in the affairs of his country, all state and foreign matters being handled by Premier Venizelos and his ministers.

MANITOBANS VOTING DRY

Winnipeg Wet Vote Overcome By Rural Majority

WINNIPEG, Oct. 25.—The province of Manitoba "went dry" in today's referendum on the proposal to prohibit importation of liquor, returns received here early tonight from various sections indicated.

The city of Winnipeg voted wet by a majority of 5800, but the rural vote more than overcame this. Few other places in the province voted to allow liquor.

OTTAWA, Oct. 25.—Late forces won victories today in four Canadian provinces—Alberta, Manitoba, Saskatchewan and Nova Scotia—in which a general plebiscite on the question of prohibiting importation of liquor from other provinces was submitted. In only one province, Saskatchewan was there indication tonight that the result was close.

EDMONTON, Alberta, Oct. 25.—Alberta went dry by a majority of between fifteen thousand and twenty thousand in the referendum today on the "question of allowing" importation of liquor from other provinces, according to incomplete returns tonight. Indications are that all of the cities voted dry.

D' Annunzio Denies Share in Revolt Plot

ROME, Oct. 25.—Reports printed here that Captain Gabriele d'Annunzio has involved in a plot to overturn the Italian government has been denied by Captain d'Annunzio, according to reports from Fiume.

He has issued a statement vigorously protesting against rumors that he is intending to participate in a "coup de main" and adds he has never been "addicted to plots."

Speakers Discuss Ballot Measures

"Amendment Day," a program limited to a discussion of the various questions before the California voters on the ballot for the coming election, yesterday proved to be one of the most interesting and successful luncheon sessions ever held by the Rotary Club. "Interesting and informative, but not half enough time," was the general consensus of opinion as expressed by those present. With the exception of the Harris enforcement act, which was explained to the members at a former meeting, and some four or five others on which there was no division of sentiment all measures on the ballot were discussed.

The community property amendment aroused the greatest opposition, P. C. Buehner appearing as a proponent and W. O. Miles leading the attack. Others who spoke were: J. A. Nares on the good roads amendment; William Glass against the single tax; Dr. John McKenna against the vivisection measure; Attorney Inman in favor of the University of California amendment; Newton Johnson on the four medical measures, and Dr. G. E. Porter in favor of the chiropractic initiative. R. O. Deacon was chairman of the day.

"Hawkins Zouaves" Commander Dies

NEW YORK, Oct. 25—Brigadier General Rush C. Hawkins, who won fame during the Civil war as commander of "Hawkins' Zouaves", died here today from a fractured skull received last night when he was struck by an automobile on Fifth avenue. He was 85 years old.

COCCHI TRIAL BEGINS, ITALY

BOLOGNA, Italy, Oct. 25.—(By The Associated Press).—The trial of Alfred Cocchi for the murder of Ruth Crozer in New York in 1917 commenced this morning with a recital of the evidence against him. Cocchi took a spirited part of the proceedings, indulging in courtesy flourishes. He argued that the police had denounced him and that only his own words were available against him.

Cocchi declared his previous confessions of having committed the crime were made up so as to protect his wife.

ROB THEATER OF $3143

OMAHA, Neb., Oct. 25.—Shortly before 11 o'clock last night three bandits entered the Empress theater, bound and gagged President Ledoux, took $3143 from his pockets and the safe and escaped.

ANOTHER DIES AS VICTIM OF HUNGER STRIKE

(Continued from Page 1.)

to poke out of the way port and later to a government vessel and deliver it at Cork.

De Valera Speaks

WASHINGTON, Oct. 25.—Eamonn De Valera, president of the provisional Irish Republic, declared today that the principles for which Mayor MacSwiney and his comrade, Fitzgerald, died, were the principles of the American Declaration of Independence and President Wilson's war aims—"the indienable right to liberty, the privilege of men everywhere to choose their own way of life and obedience."

"Like Patrick Henry and his comrades," said De Lavera, "these Irish patriots were forced by the tyranny that could deprive them of liberty to make death the alternative."

Mr. De Valera declared Ireland was now "the one last white nation that is deprived of its liberty," and that it asked only America's moral support in its fight for freedom.

Mr. De Valera also gave out a copy of a cablegram addressed by him to Mrs. MacSwiney, which read:

"May the noble pride that such a man was your husband console you for your loss, and may the knowledge that your sufferings and his have touched the hearts of an apathetic world and aroused it to a realization of the agonies that are being endured for liberty's sake in Ireland comfort you. At the shrine of his bier and the death-bed of his comrade we pledge that whilst an Irish heart beats, we shall resist 'till the hands of those who would rob our country of its independence shall fall nerveless or a just judge has taken His vengeance."

Call Demonstrations

NEW YORK, Oct. 25.—Diarmuid Lynch, national secretary of the Friends of Irish Freedom, tonight telegraphed all state and local branches of the organization calling for organized "manifestations of indignation and sorrow" next Sunday over the murder of Lord-Mayor MacSwiney of Cork" and Michael Fitzgerald, who died recently after a hunger strike in Cork jail.

The demonstrations are to be uniform throughout the country, with funeral services in cathedrals and principal churches.

Banners are to be draped in black. No mottoes are to be carried, and no speeches made on that day, according to the orders of the national executive decree, Lynch stated.

Mass to Be Held

OTTAWA, Ont., Oct. 25.—High requiem mass for Lord Mayor MacSwiney of Cork will be held in St. Brigid's church here next Wednesday. Services will be under the auspices of the Ottawa branch of the Irish Self-Determination league.

Orders Flag Half Mast

NEWARK, N. J., Oct. 25.—Mayor Gillen today ordered the American flag over the city hall half masted in respect for Lord Mayor MacSwiney, who he said, "is one of the noblest martyrs that ever died for the cause of liberty."

"It is difficult to view MacSwiney's death in any other light than as a murder committed by Lloyd George and the British government," said a statement issued by Mayor Gillen. "The civilized people of the earth will not tolerate a government such as England has at present."

Riot Follow Flag Raising

BELFAST, Ireland, Oct. 25.—A display of Sinn Fein flags in honor of the late Lord Mayor of Cork, Terence MacSwiney resulted in rioting today in the Ballymacarrett suburb of Belfast, in which one man was shot and killed.

Three Policemen Slain

DUBLIN, Oct. 25.—A sergeant and two constables were shot dead and three constables were wounded this morning when the armed men ambushed a police patrol between Grange and Pandish, County Sligo.

There were nine men in the ambushed patrol.

TO PROBE MEAT PRICE CHARGES

CHICAGO, Oct. 25.—Representatives of livestock exchanges of the United States in a conference today appointed a committee to investigate and recommend means to prevent sudden fluctuations in the price of meat animals. Everett C. Brown, president of the National Livestock Exchange, presided, and representatives were present from numerous cities.

"At a meeting here the principal livestock exchanges of the United States have authorized the appointment of a committee to work out some plan for more nearly stabilizing the markets," Mr. Brown announced. "The problem is fundamentally one of better adjusting the supply of livestock to the demand. Under the present system, the number of meat animals received at the different markets varies by thousands from day to day and week by week. This tends to cause severe fluctuations up and down of the prices received for livestock."

BUCKHECHT *Dress Shoes*

No shoe is a Buckhecht unless stamped BUCKHECHT

NO changing to slippers is thought of when our No. 439 comforts your foot. Yet it's none the less smart and shapely because it fits well. The easy Blucher pattern in gunmetal calf is a boon to troublesome feet. It's a revelation of what wonderful comfort can be built into a stylish, fine shoe.

BUCKHECHT *Fine Shoes are priced $8.50 to $14*

MANUFACTURERS *Since the early fifties* SAN FRANCISCO

The Hare and the Tortoise

In advertising, as in finance, there is an occasional Ponzi.

In a popular play of a few years ago—"It Pays to Advertise," the youthful and exuberant hero marketed a soap—"13—unlucky for dirt," with overwhelming success.

The soap cost 3 cents, and after the second act, sold for $1.00 in tremendous quantities.

This dramatic profit came, of course, from a whirlwind campaign of publicity, and so the thesis that it pays to advertise was proved and everybody lived happily forever after.

People like to dream of striking the popular chord one terrific wallop and cashing in millions, but it isn't being done.

The public is lethargic, stupid, forgetful, and advertising success must be planned in terms of years of time and the continued, persistent, never-ending application of power.

Advertising space in the Butterick Publications is for sale through accredited advertising agencies.

NOV. 2 WILL SETTLE STATE JAPAN ISSUE

Measure Comes Before Electorate For Decision

Law Will Amend Alien Land Leasing Privileges

SAN FRANCISCO, Oct. 25—The fate of Japanese farmers in California will be decided on Tuesday, November 2, when the electorate of this state passes on an initiative measure that would drastically amend the present alien land law by withdrawing entirely the three-year agricultural land leasing privilege from aliens who are ineligible to American citizenship.

The initiative measure, its proponents assert, will conform strictly to the letter of the treaty between Japan and the United States in which Japanese residents were granted certain privileges. The opponents of the proposed new law declare that the issue raises the question of an interpretation of phraseology in the treaty, wherein it is provided that the Japanese resident in the United States "may own or hire and occupy houses, manufactories, warehouses, shops and premises and lease lands for residential and commercial purposes."

It is pointed out by persons opposed to amending the present law that the leasing of land for "commercial purposes" contemplated the privilege of leasing agricultural lands. The voters of the state have had the legal verbiage of the measure classified by arguments for and against it respectively by V. S. McClatchy, publisher of the Sacramento Cal., Bee, and by John P. Irish, an extensive land owner of Stockton, Cal.

In behalf of the measure, Mr. McClatchy says in part:

"Through the measure, California seeks, as is her inherent right, to preserve her lands for Americans, precisely as Japan preserves her lands for the Japanese. Its primary purpose is to prohibit Orientals who cannot become American citizens from controlling our rich agricultural lands. * * *

"Our present treaty of commerce and navigation with Japan deliberately omits from the privileges granted the Japanese in this country, either ownership or lease of agricultural lands. Japan has always prohibited ownership or lease or use of agricultural lands in Japan by Americans or other foreigners.

"Orientals, and more particularly Japanese, having commenced to secure control of agricultural lands in California, there was enacted in 1913 the Alien Land Law, which prohibited ownership or lease beyond three years of agricultural lands by aliens ineligible to citizenship.

"In defiance of that law, through various subterfuges, including use of dummy corporations and minor native born children, Orientals, largely Japanese, are fast securing control of the richest irrigated lands in the state, through lease or ownership, the proportion already controlled in some counties being from 50 per cent to 75 per cent.

"The initiative measure simply closes the loophole in the 1913 laws which permits violation and evasion thereof. In addition, it forbids even short leases."

In his argument against the measure, Mr. Irish discussed the commercial treaty with Japan and declares that "in its economic definition commerce consists of production, transmutation and exchange; production is the ranking element, because without it there can be no commerce.

"The treaty is intended then," the opposition argument continues "to give the Japanese privilege to enter upon complete commerce, and therefore protects their right to lease land for production. Any other interpretation twists the plain language of the treaty into vain repetition.

"Considered in the light of the Fourteenth amendment to the constitution of the United States, which says, 'No state shall deny to any person within its jurisdiction the equal protection of the laws,' we find the initiative is in conflict with our constitution since it proposes a discriminatory classification of aliens, conferring upon one class the protection of the law which it denies to another class.

"This discrimination applies also to the leasing of land denied to Japanese and permitted to other aliens. It also applies to the feature of the initiative which subjects Japanese minors who own land to the guardianship of the public administrator, but exempts other alien minors who own land from such guardianship."

The measure has five distinct purposes, according to Mr. Irish, and these are: "First, to forbid the leasing of land to Japanese and Chinese; and, Second, to take land-owning minors of these races from the natural guardianship of the parents and commit them to the control of the public administrators."

Concluding his argument to the voters of California, Mr. Irish says:

"Considered in its effect upon the land owners of the state, the initiative, under penalty of confiscation, prohibits them from leasing land to a certain class of persons. If the state can do that it can also compel land owners, under penalty of confiscation to lease their lands to a certain class of persons."

Cox and Harding Live in Same House

It has been discovered that Cox and Harding live in the same house in Baltimore. But these two gentlemen who possess the same surnames as the distinguished candidates for President, are not running for that office. Charles T. Cox is a dyed-in-the-wool Democrat, while Marshall Harding, running true to form, is a supporter of the G. O. P. candidate. In spite of their names and different political opinions, Cox and Harding are on very friendly terms.

AMERICAN IS SLAIN, MEXICO

WASHINGTON, Oct. 25.—M. T. Savrey, an American, was murdered in Cananea, Mexico, last Wednesday, the state department was advised today. The American consul at Nogales has been instructed by the secretary of state to request the local authorities there to take all possible measures to apprehend the murderer.

The consul in his report to the department said press dispatches reported that the murder was committed by Raymondo Navarro without provocation, and that Navarro, a miner who had been discharged by the Cananea Copper Company, had escaped.

A reward has been offered by the Cananea company for the capture of Navarro, and Mexican troops are engaged in a wide search for him, the consul said. Savrey was a resident of Bisbee, Ariz.

ROOSEVELT ENDS TWO WEEKS' TOUR

Says Prosperity Depends on Entering League

NEWBURGH, N. Y., Oct. 25.—America must join the League of Nations or must abandon all future expansion and barter and trade exclusively among ourselves, Franklin D. Roosevelt declared last night in an address which terminated a two-weeks' campaign in upper New York state.

Although this is normally a strong Republican district, Mr. Roosevelt received an enthusiastic reception.

"Because a man's or a nation's soul is more important than a bank account," he said, "we have emphasized above all to the exclusion of the many other arguments in its favor the necessity, from a moral point of view, of our entering with the civilized nations of the world into the League of Nations.

"If we are to continue to be prosperous as we have been under a Democratic administration we must participate in the unselfish development of the uncivilized or semi-civilized portions of the world and must continue to expand our interchange of commodities with other nations.

"There are two ways of securing our just share in the development of the world's resources. One is the policy of brute force of such a tremendous standing navy and army as will permit us to stretch out and grasp whatever we may because no other nation or combination of nations is strong enough to gainsay us. The other is by establishing such close intimacy and friendly agreements with the rest of the world as to establish our place with them by mutual concern in the world's progress."

REPORT SAYS COTTON ACTIVE

WASHINGTON, Oct. 25.—The government's cotton ginning report today showed a total of 6,713,067 bales ginned prior to October 18, and indicated that the sporadic attempts through the cotton belt to keep gins closed until the price of cotton advanced to higher levels had had little effect.

The ginnings this year aggregate 782,953 bales more than the quantity ginned to October 18 last year when the crop was 794,000 bales smaller than that forecast for this year.

On the government's forecast of a crop of 12,123,000 bales this year, the ginnings to October 18 appeared to be about 47.1 per cent of the total. This is a higher percentage than was ginned last year to October 18—43.5 per cent—but lower than the average 48.2 for the last eighteen years.

Ginning last year to October 18 amounted to 4,929,104 running bales, including 55,555 round bales; 8,890 bales of American-Egyptian and 1,792 bales of sea Island.

Ginning to October 18 by states included Arizona, 19,675; California, 13,914; Oklahoma, 257,013; Texas, 2,596,147.

REFUSE REVIEW OF PEACE SUIT

WASHINGTON, Oct. 25.—The supreme court today refused to grant the request of Harry S. MacCartney, a Chicago lawyer, that it assume original jurisdiction over his suit brought in the District of Columbia courts to compel Secretary of State Colby to promulgate the peace resolution passed May by Congress. President Wilson vetoed the resolution and it was not passed over his veto.

Girl Secretly Weds Policeman In N. Y.

Social circles in New York were astonished to learn that Miss Louise Q. Webb, prominent young society horse-woman, was secretly married to Thomas J. Leonard, a New York policeman. The society bride's wedding came as the culmination of a romance of the bridle paths of Central Park. Patrolman Leonard being an expert mounted man stationed in the Park. Mrs. Leonard has won dozens of blues and scores of red and white rosettes in horse shows.

Canada Railmen to Demand Rights

OTTAWA, Ont., Oct. 25.—Canadian workers will look to the government for a guarantee of their rights to participate in politics, Tom Moore, president of the Trades and Labor Congress of Canada, declared here in a statement today. He characterized the recent order by the president of the Canadian National railway forbidding employes from taking part in politics or holding public office as a "destruction of the principle of democratic government."

"This order by the National railway is a development which cannot go unchallenged," said President Moore. He said that organized labor would take immediate steps to bring the matter before dominion officials.

News Jottings and Personal Notes of Valley Residents

DELANO BREVITIES.

DELANO, Oct. 25—Miss Muriel Eaton has returned to her home in Tulare after a visit here with her sister, Mrs. Richard Wells.

Miss Weimer spent the week-end with Bakersfield friends.

Vessie Davis has returned to his home in Inyo County after visiting here for several days with his brother, Bert Davis. Mr. Davis is engaged in the stock business in Inyo.

Mrs. Harry Munn and her son, Billie Dick, are here visiting at the home of her parents, Mr. and Mrs. N. R. Mitchell.

Morning services at the Catholic church have been changed from 10 to 10:15.

F. E. Green spent Tuesday transacting business in Fresno.

Mrs. Fred Reyburn and son are home from a visit with Fresno relatives.

Mr. and Mrs. G. W. Shifflet and Miss Ruby Shifflet were Sunday guests at the H. M. Schlabitz home.

Rodney Turner is home from a business trip to Los Angeles.

Mr. and Mrs. W. S. Hesp have arrived from Colorado to spend the winter here with their daughter, Mrs. O. E. Alexander and family. Mr. and Mrs. Hesp spent last winter here where they made many friends.

M. B. Golden has returned from Los Angeles where he spent the summer and is living at his ranch in Radnor district.

Mrs. M. E. Dixon spent Sunday with friends in Porterville.

E. W. Hughes was called to Los Angeles on Thursday by a wire which stated that a large building of which he was owner, had burned.

Tuesday has been declared a holiday for all business houses in Delano, that the work of soliciting for the big Chamber of Commerce drive may be effectively launched.

Mrs. Juanita Miller has been given a special vote of thanks by the Merle Reed Post of American Legion for her donation of flags and assistance in making curtains for the Post reading room.

J. A. Brockman is home from a business trip to Los Angeles.

Mr. and Mrs. J. Vanzandt have moved here from Los Angeles. Mr. Vanzandt has taken a position with the Haberfelde garage.

Mr. and Mrs. John Quinn spent Saturday in Bakersfield.

Mr. and Mrs. John Boyd are entertaining relatives from San Francisco. They are Mr. and Mrs. Arthur Dickes and daughter. Miss Musadette Dickes. All the family are musicians and on Saturday, both Mr. and Mrs. Dickes appeared before the Delano Woman's club in piano and vocal numbers which were highly pleasing. Mrs. Dickes and Mrs. Boyd are sisters.

Mr. and Mrs. E. C. Steele and Mr. and Mrs. J. N. Bowhay are home from a brief visit to Los Angeles and Long Beach.

Ludwig Schlitz is redecorating the interior and exterior of the office of Dr. J. A. Copeland.

A. B. Mahon has purchased the Bert Davis home on K street which is now occupied by Mr. and Mrs. W. H. King. Mr. Mahan expects to bring his family here from San Mateo shortly.

Mr. and Mrs. P. W. Hammer are home from a ten day outing at Los Angeles and other southern points.

Mr. and Mrs. Dunlap of Richmond are here to spend several weeks with their daughter, Mrs. George Branch and family.

Will Casey of Pond was a Tuesday caller here.

LATON NEWS NOTES.

LATON, Oct. 25.—Mrs. H. W. Askew, Sr., of Carmel-by-the-Sea, accompanied by her three youngest children, Jessie, William, and Winifred were visiting here recently.

A daughter was born to Mr. and Mrs. Paul Fincheca recently at Hanford. This is their second child, both girls.

A surprise party was tendered Mrs. Terry Phillips on her 80th birthday at her home by the ladies of the town on Saturday afternoon. On Friday evening Mrs. Phillips gave a birthday dinner and all her children were present.

E. E. Gregory and family were recent visitors in Hanford.

Miss Ruby Bartlett who is engaged to Gilbert French of Berkeley had the pleasure of a visit from him recently.

Miss Bernice Beer of Armona, who is the stenographer at the land office has been ill and confined to her home.

Miss Estella Hilderbrand, Levi Garner, W. Cantua, Apland Eastmouse and T. C. Thomas were initiated in the Rebekah Lodge recently. The district deputy president of Fresno, Mrs. Nell Waltz, and her husband, accompanied by Mr. and Mrs. Jacobs of Fresno, and Ira McBain of Hanford, were visitors at the last meeting. Mrs. J. Nester, Miss Eula Northrup, Buford Garner and D. R. McAllister serve on the entertainment committee—for the next meeting which will be held November 6. A large number of the Laton Rebekahs visited the Riverdale Lodge and had a splendid time. The Riverdale Lodge initiated twenty candidates among them being William Allen. All enjoyed a fried chicken supper afterwards.

The members on the election board in this district for the November election are G. N. Fry, S. B. Sheldon, Mrs. Claude Hickens, Miss Clara Baker, Mrs. Fred Marsh and Mrs. Clyde Kopenhefer. On the Grant district board are James Lewis, A. J. Dellart, P. R. Newcomer and J. S. Sivels. The Laguna board are M. M. Fike, C. E. Bristol, Lester Vaughn, Owen Vaughn, Herbert Wagoner and E. S. Hilderbrand.

The Hallowe'en Carnival will be held in the hotel on Saturday night and everyone is invited to attend. There will be dancing and amusements of all kinds.

RIVERBANK NOTES

RIVERBANK, Oct. 25.—Engineer Bovey and Foreman Rodgers of the highway commission with their families spent Sunday with relatives in Sacramento.

C. H. Berry and family, former Riverbankers, were down from their home at Berkeley for the week-end at the Harder residence on Riverside Drive. Mr. Berry says his slogan is "Back to Riverbank," as soon as his son completes his course at the university.

Mrs. J. Carrel after a year's absence in New York returned to Riverbank Saturday and will make her home with her son, J. J. Bannon.

C. H. Thrasher of the Santa Fe shop force has purchased the former home of W. A. Merrill, and will occupy it after this week.

H. H. Dodds, assistant general manager of the Pacific Co-operative League of San Francisco was before the members of the local unit Saturday with a complete report of the fifty-one stores now comprising the league and stated a movement had been perfected by which the four unions of the shop crafts were to vitalize the wholesale department by additional capital to the amount of half million dollars. The Farmer's Association who have two millions of unassigned funds wanted to furnish the half million but deferred to the other orders from the fact all are about equally interested in the various units. The fiscal arrangements will be completed by the first of the coming year and soon after the Riverbank store will be made a department store and purchases made largely in car lots.

TAFT PERSONALS.

TAFT, Oct. 25—P. Brantly, an oil man from Bartlesville, Oklahoma, is in Taft visiting in the Midway oil fields.

J. W. Dow paid a $10 fine for speeding on Center street on his motorcycle. He was arrested by Chief Munsey.

A. P. and I. O. Williams, residents of Lindsay, are spending a few days in Taft on business.

C. H. Wagner and E. V. Woolsey are here from Dallas, Texas. This is their maiden visit to the Midway fields, and they are pleased with the activity shown here.

Misses Sylvia Conklin and Anna Beahs went to Bakersfield this morning for an over Sunday visit with friends.

Elwood Triplett of the United Electric company, left for Los Angeles this morning on business.

Clyde Bell and William Swall motored to Fresno Saturday evening for an over Sunday visit with friends.

Dan Donahue with a San Francisco concern, spent several hours in Taft on business today.

Mrs. Norma Smith left last evening for Los Angeles, where she will undergo an operation soon.

Mr. and Mrs. H. R. Ranode and family will motor to Fresno Sunday for a visit with Mrs. Ranode's parents.

Stage passengers to Los Angeles on Saturday were Mr. and Mrs. J. L. Pierce, William Holmquist, B. Cashley, Mr. and Mrs. Greer, Mr. and Mrs. C. F. Warren.

H. Reader left for Los Angeles Saturday and plans to spend several days in the south on business.

Mr. and Mrs. Fred Dittig and daughter Gladys Margaret, and Mr. Dittig's parents of Hollywood, who have been the guests of Mr. and Mrs. Sam Bairstow the past week, left Saturday for their home.

Chase Sutton, geologist for the Interstate Oil company at Los Angeles, arrived in Taft Friday and will spend several days here on business.

Mr. and Mrs. Chris Schoonover and young son of Wichita Falls, Texas, arrived in the Midway fields this week for a short visit with friends.

HARDWICK NOTES.

HARDWICK, Oct. 25.—A basket social which was given by the members of the Sunday school Thursday evening was a most enjoyable affair and was well attended. The proceeds from the sale of the baskets amounted to $38.25. There will be Sunday school next Sunday at 2:30. Everybody is invited to attend.

E. L. Nevner of San Francisco, representing the auditing department of the Southern Pacific was a visitor here Friday.

Mrs. Ethel Hoskins was elected guardian neighbor of the Neighbors of Woodcraft at their Thursday evening session in Hanford.

Mrs. E. Wilcox and Miss Addie Wilcox were Fresno visitors Friday.

Mrs. R. E. Richmond, Mrs. Alfred Richmond and Miss Velda Richmond attended a reception at the Hanford high school Friday evening.

LEMOORE PERSONALS.

LEMOORE, Oct. 25.—Elmer Forsythe of San Francisco is visiting friends here for a few days.

J. C. McAuley, Los Angeles shortstop this season, is home again and at work in the McKay drug store.

Al. Pollock of Fresno was a Lemoore visitor today.

EXETER BREVITIES.

EXETER, Cal., Oct. 25—Mrs. George Teague has returned from San Francisco where she has been spending the past few weeks.

A. L. Bullard spent Wednesday in Exeter looking after business interests.

Mrs. Clay Hutchinson, of San Francisco, is visiting at the home of Mr. and Mrs. George Teague.

Mrs. O. W. Carr and Miss Melville, who has been Mrs. Carr's guest, left for Los Angeles on Tuesday to be gone a short time.

Mrs. L. L. Thomas is in a Hanford hospital recovering from an operation.

Mrs. Ethel Pratt Stephens entertained the Tuesday Card Club this week with a very delightful luncheon.

Nah Hill, the finest delicious confection made. When you have eaten one the taste invariably says another. Ask any dealer. Valley Candy Co., Fresno, P. O. Box 676, distributor.

RED CROSS REPORTS ON EUROPEAN WORK

$51,000,000 Spent Last Year; Close Part of Relief

WASHINGTON, Oct. 25—The American Red Cross furnished relief to war-stricken Europe during the last year to the amount of $51,000,000. The most extensive of overseas activities of the organization, however, ended during the year with the closing of relief work in France and Belgium.

Red Cross work in Europe, according to a statement issued today from the national headquarters here and based on the forthcoming report for the year that ended last June 30, is now confined to Poland, Serbia, Montenegro, Albania, West Russia and the Baltic states, South Russia, Vienna, Budapest and Constantinople.

In bringing the work in France and Belgium to a close, the Red Cross provided supplies to 2,165 villages and directly benefited 30,000,000 persons by gifts or sales at nominal prices. In Italy the need of direct relief practically vanished and the Red Cross confined its work there to home service for American soldiers and their families and the founding of welfare institutions for children.

Local self-help ran hand-in-hand with the Red Cross relief and whenever the American organization withdrew from a territory it left a sufficient body of trained workers among the people to carry on the activities.

In the war zone of northern Poland the Red Cross established 258 hospitals of 16,123 beds, aided 30 established dispensaries and helped establish 82 others. It distributed clothing to 80,000 children and gave general relief to 2,216 towns with a population of more than 700,000. In southern Poland, more than 1,000 hospitals and charitable institutions got assistance from the Red Cross.

The work in Rumania consisted of operating hospitals and dispensaries, providing supplies to schools and orphanages, conducting soup kitchens that fed 100,000 people and in distributing dry food to more than 170,000 others.

The society distributed 40,000 garments in Greece proper, 10,000 blankets and twice as many garments in Thrace and Smyrna and 50,000 garments to the colonies in Asia Minor. Relief work in Serbia was not extensive, the statement says, although much disease preventive work was necessary to insure the future health of the nation.

In Albania the society opened five medical dispensaries, four dental dispensaries and numerous infant welfare and milk stations. In addition to helping practically the entire population in the villages, it distributed 96,000 garments among the hill tribes. In Montenegro, 30,000 orphans are today being cared for by agencies which draw their supplies largely from the Red Cross. Two child-feeding stations, with a capacity of 500,000 meals a month, also are being operated by the American organization.

In Vienna, aid was given to 98 hospitals, and 40,000 under-nourished children were fed by the Red Cross, while in Budapest aid was also given to hospitals and thousands of children. In Constantinople, the work was confined to care, feeding, clothing and medical treatment of Russian and other refugees, who passed through the Bosphorus last winter.

Madera Fashion Show

Refinement and taste in costumes with charm and beauty of the models will form the entertainment on Wednesday evening at the Catholic church Bazaar at Madera.

An extended stage running down the midst of the big hall has been tastefully arranged by Mrs. Will Brannan. Splendid music and abundant refreshments will add to the enjoyment of the visitors.

Friends and the Public cordially invited.

A Gold Star Mother

PLEADS FOR

The League of Nations

Elizabeth, New Jersey.

George White, Esq.,
Chairman Democratic National Committee,
Care New York Times, New York City.

Dear Sir:—

Please accept the enclosed small contribution to the fund for dissemination of the truth about the League of Nations. It is literally a "widow's mite," but it comes from a mother who sent four greatly needed sons to the World War. Two of these sons with almost unlimited possibilities for future usefulness, were killed; a third was ill in hospitals in France for five months, due to gassing in action, and is still classified as "unfit," and a fourth risked his precious young life in the air.

When an honest and concerted effort is being made by the nations of the earth to save, if possible, future mothers and sons from these sacrifices, it is hard to realize there are those who oppose such an effort.

I feel sure that among those who paid for the war there can be but one opinion, and that is to try the League of Nations, even if it is not perfect. It is the best that has been proposed, and, all objecions being weighed, is manifestly the most feasible. Please God it will not fail.

Very truly yours,
MARIE A. DAVIDSON
(Mrs. Edward Crawford Davidson)

October Sixth, Nineteen Twenty.

80,000 American Dead:

80,000 Reasons Why!

GOVERNOR COX says—"I favor going into the League."
SENATOR HARDING says—"I reject the League. I have no program."
HERBERT HOOVER said—"If the League is to break down we must prepare to fight."

DEMOCRATIC NATIONAL COMMITTEE

OFFICER WINGS NIGHT PROWLER

Shoots at Burglar at Tulare Who Refused Command to Halt

TULARE, Oct. 25.—A blood trail extending along the pavement from the alleyway in the rear of the St. Mason hotel to the railroad yards a block away is unmistakable evidence of the aim of officer T. J. Ray, who fired when a prowler ignored his command to halt last night.

It was learned that just prior to Ray's encounter with the fugitive he had been ordered from a hotel by an armed guest and it is believed he was beat on burglary.

Ray was informed by a night watchman that the fellow, acting suspiciously, had dodged into an alley and the officer immediately instituted a search for him. As he was thus engaged, a stranger leaped over a fence from the hotel premises into the alley. Ray at once commanded him to halt, but the man showed his heels and the officer fired two shots.

With the second report of the officer's revolver, the fugitive stumbled and cried out, but immediately resumed his flight and, although the officer gave chase, the man distanced him and was lost in the darkness as he entered the railroad yards. Blood spots covering the course of his flight showed that he had been hit.

New Tuttle Grammar School Is Dedicated Saturday Evening

GRAMMAR SCHOOL FOR TWIN CITIES

MODESTO, Oct. 25.—The new Tuttle grammar school which will serve the twin cities of Planada and Tuttle was dedicated Saturday evening with appropriate ceremonies. The school is modern in all appointments, with tile roof and up-to-date lighting and heating effects.

TULAREAN GIVES ORGAN TO CHURCH

Instrument of $10,000 Value Is Gift of George Swall

TULARE, Oct. 25.—During the course of a ceremony at which the $12,500 mortgage on the property of the Methodist church of this city was burned, Rev. C. E. Montague, pastor, disclosed the identity of the donor of a $10,000 pipe organ which is now being specially constructed in a factory in the East.

The organ was given by George Swall, a prominent rancher of the county as a memorial to the late William Swall and his widow, Mrs. Emma Swall, parents of the donor. Cheers greeted this announcement and Swall was the recipient of a Chautauqua salute. The organ will be ready for installation shortly after January.

The mortgage burning was executed with due formality. It was placed in a wire suspended receptacle and as the match was applied, the great audience sang the doxology.

HANFORD OPENS FESTIVAL WEEK

Merchants to Revive Old Custom; Many Prizes Offered

HANFORD, Oct. 25.—Today was the opening day of Harvest Festival week in Hanford, and the spirit of the harvest had descended upon the town. Every shop, electralier, and public building was embellished with corn stalks, jack-o-lanterns and symbols of Indian summer.

This idea is an evolution of the ancient costume of celebrating a prosperous and in following out the idea all the merchants and business men have set aside a sum of money for seasonable entertainments, on Tuesday a free masquerade ball will be given with prizes for the costumes.

Contracts are on foot between the growers of pumpkins and corn stalks for prizes offered by the board of trade and considerable interest is manifest throughout the county in the outcome of them.

Truxton Beale Is Big Contributor to Republican Campaign

BAKERSFIELD, Oct. 25.—Truxton Beale, who was among the larger contributors to the Republican national committee campaign fund, resided for forty years on the Tejon ranch in Kern county, which he sold eight years ago to the Tejon Ranch Syndicate of Los Angeles, for $3,000,000, according to reports at the time.

Beale supported General Leonard Wood in the primary campaign, and in 1900 Beale was Republican nominee for the state senate from Kern-Tulare counties, losing to the late E. O. Miller. Beale under President Harrison served as minister to Persia. He now resides at Annapolis, Md., and was an alternate at large to the Republican nation convention.

Beale contributed $10,000 to the Republican fund, and last spring he gave a $10,000 prize for the best essay by a man under 25, on the proposed Republican platform.

Truxton Beale gave the Beale memorial library, Beale park and the Beale memorial clock tower to the city of Bakersfield.

Stage Driver Given Jail Sentence By Justice at Madera

MADERA, Oct. 25.—J. E. Hughes, a stage driver, was given a sentence of ten days in jail, minus a fine, for speeding and reckless driving on the highway by Justice R. L. Rice today. The court imposed the severe penalty in view of recent fatal accidents on the highway, in order to serve a warning to reckless drivers.

Henning to Speak at Republican Rally

TULARE, Oct. 25.—The Tulare Republican committee has been notified that E. G. Henning, of San Francisco, one of the speakers sent out by the state committee, will address a Tulare audience at the Woman's club next Thursday evening.

Although several of the candidates have stopped in Tulare for street corner speeches, this will be the first political indoor rally since the campaign started.

NEWS BREVITIES OF LOS BANOS

LOS BANOS, Oct. 25.—Mrs. E. C. Reutter disposed of the remainder of her property in this city, which consisted of a portage and four fractional lots, John Santos was the purchaser.

Mrs. Iva Lockhart, teacher of Mountain View school near Modesto, and daughter Dorothy, accompanied by Mr. and Mrs. Harold Baldwin of Berkeley, are visiting relatives here the remainder of the week after having attended the teachers institute in Oakland. Mr. Baldwin is a teacher in Oakland.

Louis Rossi of San Jose, a former resident of this place is here on business.

Miss Olga Haley gave a dinner party last night to the high school seniors at the home of her mother, Mrs. George Haley.

Mr. and Mrs. P. Christiansen of Dos Palos were visitors to this city Friday.

AUTO ACCIDENT PROVES FATAL

Visalia Japanese Meets Death on Highway Near Orosi

VISALIA, Oct. 25.—J. Kariharu, wealthy Japanese farmer residing on the outskirts of Visalia died at 2:30 o'clock this morning in the Orosi sanitarium as the result of an automobile accident that occurred on the Dinuba highway about eight miles north of this city at 10:30 o'clock last evening, when the machine in which he was riding with a Japanese woman and two children went into the ditch along the highway and turned over crushing the driver.

The injured Japanese was taken to the Orosi hospital by Dr. Ricfili.

An inquest will be held tomorrow afternoon. Kariharu was 42 years of age and is survived by a wife and four children.

Plan New Sanitary Ordinance in Tulare

TULARE, Oct. 25.—An ordinance providing more drastic regulations in keeping the city free of "eye-sores" was presented at a meeting of the board of trustees last night by Mrs. M. C. Zumwalt, representing the Woman's club of this city.

While there is already in effect a measure designed to abate unsightly and unsanitary nuisances, the women claim it is not adequate to produce the results aimed at by them—Tulare a spotless town.

After some discussion the trustees took the proposed ordinance under advisement and the measure will be adopted or rejected at the next meeting.

School Truck Upsets; Students Uninjured

TULARE, Oct. 25.—A heavy automobile, in which five high school students were riding last night turned a flip on the highway near the east city limits and landed on its wheels in an upright position with only one of the occupants having been thrown out. This was Miss Lquise Nowlin, and she was only slightly bruised, but Miss Mary Sunkel, a companion, sustained a broken collar-bone and other injuries.

The young merry-makers were on their way to their home after having participated in a high school football demonstration, including an automobile parade. The car was being operated by Lorin McFarland and he lost control of the machine as he passed another automobile. Others in the accident were Clarence Wright and Miss Hilda Fields.

Judge Craig Pays Visit to Tulare

TULARE, Oct. 25.—Judge Gavin W. Craig, who presides over one of the criminal departments of the Los Angeles superior court, was in Tulare Saturday in behalf of his candidacy for associate justice of the district court of appeal, second appellate district, which takes in Tulare and Kern counties.

Judge Craig has been on the Los Angeles bench for ten years and is also an instructor in the University of Southern California Law School. He made a complete circuit of the county and paid a brief visit to Hanford before starting on his return journey to the south.

BRIEF MALAGA PERSONAL NOTES

MALAGA, Oct. 25.—Mrs. Jennie Bailey and daughters, Ethel and Nora, and son Tony, who have been visiting at the C. E. Hughes home for the past few months, have returned to their home in Omaha, Nebraska.

—Mrs. E. V. Briscoe of near Kerman visited relatives here Friday.

Leslie Bailey, who has been visiting relatives here for a time, has returned to San Pedro.

—HELM NEWS NOTES.

Mr. and Mrs. W. M. Stymets and two daughters were recent Fresno visitors.

James Shultz from Los Angeles was a recent Helm visitor.

A Hallowe'en party is going to be held at the new Hope school house on October 30. All are cordially invited.

Mrs. Ellen Whiteside is visiting with her daughter, Mrs. K. B. Williams of Fresno.

Earl Stipp has returned to his home here.

H. O. Whiteside is making very good use of his threshing machine at the present time.

Del Rey Pastor Is Tendered Reception

DEL REY, Oct. 25.—The reception and dinner given by the members of the M. E. church for the pastor, Rev. Tryout and family was a marked success. A large crowd of members and friends were present to enjoy the delicious chicken dinner prepared and served by the Ladies' Aid Society. Mr. H. C. Britton, acted as toastmaster, impromptu speeches were made after which games were played by the young folks. A general good time was had by all and they voiced their appreciation by requesting the ladies to give these socials more frequently.

The Del Rey Woman's Improvement Club met at the home of Mrs. Ben Swanson Friday afternoon. Mr. W. M. Beeler principal of the Prairie grammar school was the speaker for the afternoon.

Mrs. Dick Carlysle of Sanger visited her brother and family Mr. and Mrs. Andy Bonfro a few days this week.

Mrs. Minnie Voire of Sanger visited her mother Mrs. A. Bonfro this week.

M. Kolinor of Los Angeles was a Del Rey visitor Wednesday.

T. Franklin has started the erection of a modern bungalow on the 5-acre tract adjoining Del Rey, which he recently purchased from Niels Hanson.

J. A. Self, Mr. and Mrs. W. A. Tyrell, H. Malkasian and Russel Self were Dinuba visitors Sunday.

Mrs. Keith, Mr. and Mrs. Clarence Scott and children and Miss Margaret Swan will leave Tuesday morning for the east, where they will spend several months visiting relatives. Mrs. Keith will go to her home in Iowa, after spending the summer with her daughters, Mrs. D. W. Leneecker and Mrs. Robert Richard of Fresno.

Seeks to Enjoin Hauling of Wood

VISALIA, Oct. 25.—Ruth Ellingen, of Badger, was before Judge Allen in the superior court here this afternoon seeking an injunction restraining E. F. Radcliff and others from crossing her premises to haul cord wood sold to Radcliff under contract agreement without first complying with the terms of the contract by constructing a road through certain portions of the property which the Ellingen woman claims is a part of the contract.

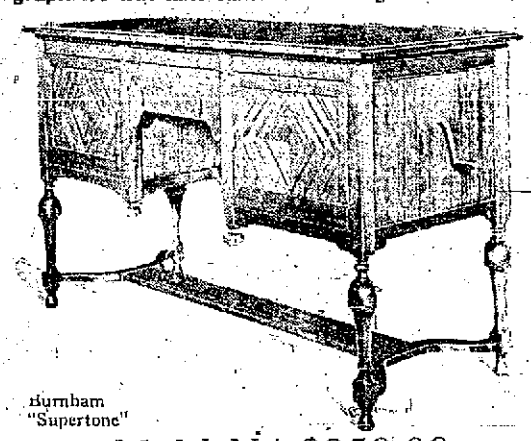

Parties to whom Radcliff had sold the cord wood proceeded to take the wood away recently without having constructed the road with result that the Ellingen woman soon stopped all work. Sheriff Smith was appealed to who with men and teams proceeded to haul out the wood until stopped Saturday by a restraining order issued out by Judge Allen's court.

The court after hearing certain evidence and argument dissolved the temporary injunction.

Yards and yards of beautiful lacy fabrics—Nets, Cretonnes, Over-Draperies—all to be included in this immense 25 per cent Discount Sale!

Our great stocks of curtainings and draperies of every description, texture and colorings, are all to have One-Fourth deducted from their present prices.

Could there possibly be a time more appropriate to "dress the windows" with bright and cheerful outlooks? Curtains and Draperies that will reflect beauty and make the home more charming, more livable during the winter months!

Panel Curtaining

$2.75, $3.50, $3.85, $3.95 to $6.50 Lines—now 25% Off

—Handsome panels, nine inches wide, and 2½ yards long. They average four panel-widths to the yard, so any width window may easily be curtained.

And Quaker Nets, too—known far and wide for their excellent washing and wearing qualities. The patterns are many, dainty and beautiful. Priced now from $1.00 to $2.75, so think of the saving with the 25 per cent deduction!

Scrim, Marquisette, Net Curtaining

Scrim, so sheer and pretty, with fancy drawn-work effects in the border! A yard wide, and in white, ecru and ivory.

Marquisette, of a heavy, rich quality, and a material that will look new and pretty after many washings. This is 36 inches wide.

Colored Marquisettes, and my! but they are in the prettiest, brightest color combinations! A dainty bit of drape, now priced from 65c to 95c yard, and on which you'll save 25 per cent tomorrow!

Cretonnes --- Madras

25% OFF

In delicate shades, all beautifully blended—in the warmer shades so rich and lovely!

What an inviting charm to a home would be handsome draperies of these pretty materials!

The cretonnes are 36-inch width and priced from 45c to $1.75 yard.

The madras, of different widths, are now priced from $1.25 to $6.50 yard.

Both kinds in this 25 per cent discount sale.

Our Entire Stock of Curtains In This Sale

Not only does this 25 per cent discount cover curtaining materials of every description, but also the ready-made curtains. Curtains that will fit any and every window in the house. They are marked low now, so one can realize the saving with the additional 25c on the dollar deducted from every price. Curtains of quality and beauty! 'Tis an opportunity one cannot afford to overlook.

25% OFF

Nottingham Curtains
Marquisette Curtains
Filet Lace Panels---

And many, many others! It would be impossible to mention them all, for our stock is immense and complete! But regardless of materials, all will sell now at 25 per cent less than regular.

Couch Covers
Table Runners
Portieres

25% OFF

All handsome, all beautiful—colors that will blend to perfection. Hangings and interior decorations that bring comfort and warmth to the home. To think of being able to supply that need at a discount of one-fourth!

FARM BUREAU TO ELECT OFFICERS

Annual Meeting of Kern Body to Be Held on Next Saturday

BAKERSFIELD, Oct. 25.—The annual meeting and election of officers of the Kern county farm bureau, which has nearly 1300 members and fourteen farm centers, will be held at the Kern county fair grounds Saturday, October 30. It will be the annual farmers' picnic. Election will be held in the afternoon.

During the year the farm bureau has increased its membership substantially, and has taken an active part in the preliminary survey of mountain streams for irrigation in the Kern river valley, and in Inyokern-Fremont valley district.

The farm bureau has been very much engaged in matters of interest to the agriculture and horticulture.

The Kern county farm home department has also become quite an active factor in farm women's life.

The Kern County Farmers Weekly was established by the farm bureau during the year.

The Kern farm bureau now has a greater percentage of farmer members to the number of farmers actually in the county than any other county, according to President J. J. Doucl whose friends are urging him to run for re-election.

W. M. Wiley, editor of the Wasco News, is also being urged to make a bid for the farm bureau presidency.

Judge D. T. Fowler, hale and active in spite of his seventy-seven summers, is one of the best known authorities on farming and fruit growing in the state, probably will consent to run for re-election as vice president. Friends of S. L. Merrill, the purchasing agent for the farm bureau, also would have him enter the race for vice president.

Candidates for farm directors, four, to be elected, already include the following: J. R. Clarke, Delano; H. T. Miller, Lerdo; Silmo Pyle, Panama, Fred N. Chamberlain, Old River; W. H. Clendenen, Mountain View; A. H. Swain, Rosedale, and Ralph Haven of Arvin. Mr. Melcher will not run for the re-election, it is said, he being now head of the California Farm Bureau Marketing Association.

Reorganize Dramatic Club For Northfork

NORTHFORK, Oct. 25.—About two years ago, Northfork was very successfully entertained by the Joaquin Dramatic club. The club was composed of members of the San Joaquin Light & Power Company force at Power House No. 2, near Northfork. With the shifting of the personnel at No. 2 and the illness of some of the families brought the plans of the club to naught after two performances. Now this same club—the same at least as far as the prime movers go—is reorganized with William Warren as president, Lincoln Peckinpah as vice-president, Jim Moore secretary-treasurer, David Peckinpah, recording secretary, and (and here is the point) a producing director and a stage manager. The producing director will be Harry R. Payne and the stage manager Lew Talbot. In addition to all this, Miss Adeline Dez Uarli of the Residual school and Miss Ruth Anderson of the Northfork school will handle the music for the performances the first of which is promised for the near future. Cheer up, Northfork!

The Bandrup and Olsen Mill has had financial troubles, and Clarence Pickett, Welton Rhodes and Frank Lightner of the Madera sheriff's office were at the mill Thursday, putting attachments on the piles of shakes for the creditors of the concern.

Miss Else Borchers and her mother were week-end guests of Mrs. Mary E. Wright at the Shinn place.

James White of Modesto drove his car to Power House No. 1 near Northfork a few days ago and took in Mr. and Mrs. White and family, carrying them off to Modesto for a two weeks' vacation.

Mrs. David Peckinpah who has been for from well called Dr. Cowan from Fresno last Thursday, and on Friday her mother, Mrs. Denver Church, came to the San Joaquin power house cottage where the Peckinpahs are living to take Mrs. Peckinpah back to Fresno with her for a prolonged rest and visit.

Mr. and Mrs. Frank Hughes and family visited the San Joaquin power house last week, coming in the new car which replaced the one that was burned in the fire that destroyed the combination barn and garage at the power house some months ago.

The apron and necktie party at Southfork on Saturday night, October 16 was a grand success. Besides the young people from this neighborhood there were a number of guests from farther away: Miss Fowler of Fresno came up with Mr. and Mrs. Lincoln Peckinpah; Mrs. Henly and Mr. Jenkins came as the guests of Miss DeCarli whom they have been visiting at Power House 1; Mrs. Magee brought several out-of-town friends.

The Power House No. 1 ladies had prepared a delicious and unusual hot supper of enchiladas, macaroni-and-cheese and coffee.

The one hotel in Northfork, Hotel Sierra, is going to change hands again, the purchaser this time being Mr. Lowrey, who is to take possession today, the Magees having left Friday.

Another heavy rain storm began Sunday evening about seven o'clock and did not really stop until Tuesday afternoon. The total precipitation for the storm was 2.62, bringing the season's total to 4.52 as against 3.19 for the same date last year. Perhaps the longed-for wet year will be the winter of 1920—21.

Mr. and Mrs. Guy D. Thornburg went down to Bakersfield on Monday, returning Saturday morning.

Mr. Bowlus who is in charge of the new government bridge being put over the San Joaquin at the mouth of the Chiquito drove his car to Northfork from the Hogue ranch Saturday afternoon, learned by telephoning that certain U-bolts which he needed had reached Friant at 3 p. m. that day, drove on to Friant and got them, returning to Southfork in time to take in several dances before supper. He started back early Sunday morning and the U-bolts went in on the pack-train Sunday. Winter looks pretty near to Mr. Bowlus, and he wants to finish that bridge before the heavy snows come.

Sunday school opened for the winter on October 17, with an attendance of twelve. This is a small beginning, but it is expected to double within a few weeks.

On Tuesday afternoon, Jesse Bigelow, while repairing telephone lines got a "shock" that threw him to the ground. An Indian, picked him up and took him to his own nearby cabin, then went to Southfork to try to telephone to Mr. Bigelow's parents; Forest Rangers Boothe and Wofford, hearing of the accident, hurried over to Southfork, found the injured man not quite as severely injured as had been feared, and brought him over to Mr. Boothe's home for the night. By morning, though feeling bruised and sore all over, Mr. Bigelow was well enough to drive his own car home to O'Neals. All his ambitions to be an electrical engineer, however, have been shocked out of him.

New High School Is Planned at Riverbank

RIVERBANK, Oct. 25.—A meeting of the voters of the Riverbank, Claus, Stoddard and Mellenry school districts, has been called for Wednesday evening at the school auditorium of the Riverbank school for the purpose of effecting a consolidation of the four districts into a union high school at Riverbank. If the proposition carries, bonds will be voted to erect one of the most complete school buildings in the county, and also for the purpose of purchasing three autos to busses to be operated by the combined districts to move pupils from outlying territory. This matter has been under discussion for some time in all the districts affected, and the consensus of opinion is it will be favorably acted on at this meeting.

Begin Marketing Raisins at Clovis

CLOVIS, Oct. 25.—The raisins are coming into headquarters at the raisin company in good shape this week, as they are drying in very good shape on account of the excellent weather. The association is now working about seventy men and is shipping at the rate of two and one-half cars daily.

Mr. and Mrs. L. D. McCormick entertained Mr. and Mrs. J. H. Wheeler and William Hutchinson at a duck dinner yesterday.

The Nees Colony school will hold a Hallowe'en party at the school building on Saturday night, October 30, and they expect to have a great time. The parents and friends of the school are invited to attend.

Mrs. P. Russell, Miss Mary Baldwin and E. J. Russell attended a birthday party given in Fresno on Sunday evening to Miss Nina Cartwright.

Grape juice is now being shipped from Melvin station to Washington.

Messrs and Mesdames William Bagent, C. Barens and Lee Barens were dinner guests at the Neal Halson home yesterday.

Mrs. Fred Nelson of Fresno was a week-end guest of Mrs. Sam Good.

Mrs. L. Malden and daughter of Fresno were recent guests of Misses Bertha and Josephine Malden at Clovis.

Mr. and Mrs. Floyd Brown and Mrs. Grace Wootten and John Bujon of Oakland were guests yesterday at the home of Mr. and Mrs. William Duncan.

A birthday party was given at the home of Mr. and Mrs. H. K. Lathey in Red Banks yesterday in honor of their daughter Maud, when a number of friends were present at a big dinner. Among the guests present were Mr. and Mrs. V. G. Clifford, Miss Gladys Clifford, Miss Robison of Fresno and Victor Clifford.

Mr. and Mrs. C. R. Chaney and daughter of Sanger were week-end guests at the Arbuckle and Beyburn homes.

The pupils of the Jefferson school have issued invitations to their parents to be present at a big Hallowe'en party to be given Saturday night at the school building. A good program has been arranged for the evening.

The American Legion of Clovis will hold a grand masquerade dance here on Hallowe'en night at the Good hall. Good music has been secured for the evening.

LOSES HIS LIFE AT LOST HILLS

Frank Barrett Is Killed When Oil Tubing Falls From Derrick

BAKERSFIELD, Oct. 25.—Frank L. Barrett, employed by the Shell Oil Company at Lost Hills, is dead from injuries sustained when a piece of oil tubing fell on him. The body was taken to Los Angeles for burial. He was aged 33 and is survived by his wife.

Republicans Hold Big Sanger Rally

SANGER, Oct. 25.—The Sanger Harding Club held a rally at the Y. M. C. A. corner tonight at 8 o'clock. The principal speaker was James Oliver, who set forth the party platform in a most convincing matter. Sam C. Mortland, chairman of the Republican County Central Committee, gave one of his humorous talks, which delighted those assembled.

PARLIER NEWS HAPPENINGS

PARLIER, Oct. 25.—Messrs. Morlen and Soren Munsen returned this week from a six months' visit to their old home in Denmark.

A number of the Parlier sportsmen returned last Sunday from a three days' duck hunt near Firebaugh. Those who went were Ed. Parlier, Porter Hackney, Bert Parlier, Al Higginbotham, Ed Eymann and Ed Ross. They had very good shooting and brought home the limit of ducks.

Miss Clara Mills returned Wednesday from Bakersfield where she has been for over a week acting as organist for Rev. H. A. Schlatter who is conducting evangelistic meetings there.

The Epworth League of the First Methodist church gave a Hallowe'en party at the home of Mr. and Mrs. W. H. Stanley Friday evening, at which fifty young people were present. The house was beautifully decorated with Jack-o'-lanterns and other emblems of Hallowe'en. The evening was spent in games appropriate to the season.

HERNDON CIVIC CENTER MEETS

HERNDON, Oct. 25—The Civic Center Association meeting on Saturday evening was well attended and great interest was manifest in the study of the twenty amendments which are being submitted to the electors at the forthcoming general election. Amendments No. 1 and 2 received major attention, with the result that the former was rejected by the majority while No. 2 prevailed. Acceptable to the meeting by unanimous vote. Numbers 8, 9, 10, 11, 12, 13, 14, 15 and 19 were accepted by substantial majorities, while Numbers 3, 4, 5, 6, 7, 16, 17, 18 and 20 were voted down as undesirable.

Misses Heuch and Samuelson of Fresno Normal school gave several instrumental and vocal numbers in a very pleasing manner and refreshments were served by the women of the association.

C. Fisk was elected president for the term, Mrs. McQueen, vice president, and Miss E. McQueen, secretary-treasurer.

Bad Check Artist Works Sanger Stores

SANGER, Oct. 25.—Several storekeepers are anxious to locate Antonio Perez, who after making small purchases tendered bogus checks necessitating a large amount of change in return. The checks were made out in the name of G. G. Huntsome.

The voting place at Centerville has been changed from the school house to the I. O. O. F. hall.

The Ladies' Guild will give a Hallowe'en dance at the hall on Saturday evening. The women have the proceeds of the supper in hand and are also attending to the preparation of the floor.

S. P. Atkinson has returned to Sanger after a sixty day visit to the east.

Phelan Will Give Address at Newman

NEWMAN, Oct. 25.—Senator James D. Phelan is expected here Thursday and will make a speech at 1:30 at the auditorium. He will cover most of the county that day from Oakdale to Newman, stopping at Patterson, for lunch and giving a talk there before coming to Newman.

Miss Erlu Mock, formerly a teacher here in the grammar school, was married to Ora Munsen in San Francisco a few days ago. Mr. Munsen was a rancher at Clovis Landing until a few months ago, where he removed to Oakland. Both have many friends here who wish them much happiness in their married career.

Mrs. W. L. Anderson has gone to San Francisco to accompany her mother to Baltimore, where she goes for an operation.

Frank Dickerson who visited with Will Anderson for several days has returned to his home in Denver.

Miss Lillian Collier is up from San Francisco to visit with her sisters, Mrs. Whitworth and Miss Mary Collier.

Mrs. Peter Johnson has gone to San Francisco to be present at the birthday celebration of her son, Henry Jorgensen.

C. A. LaBree and Mr. Armstrong of the Hilliard receivers force are spending the week-end in San Francisco.

Mr. and Mrs. Albert accompanied by Mr. Jenkins of San Francisco are the guests of Mr. and Mrs. S. Hosle.

Oliver Hilton is spending the week-end in the bay cities.

Miss Lavell Vanderpool entertained a number of her friends Friday evening at a home dance. Those who attended were: Misses Amie Hansen, Helen Hossle, Gladys Scull, Dora Mathieson, Carl Applegow, Eddie Glidden, Manuel Gomes, Wilmot Ryder. A buffet luncheon was served during the evening.

BRIEF OLEANDER PERSONAL NOTES

OLEANDER, Oct. 25.—Mrs. S. C. Bandero has returned from a trip to Missouri, where she has been for a month visiting relatives.

Lasanez has sold his place recently.

Mr. and Mrs. E. E. Savory have gone to Richmond on a visit.

Mr. Williams and family have gone to Texas.

Mrs. Curinant, one of the teachers of the grammar school, has resigned.

The Campfire Girls had a meeting last week at Mrs. E. E. Savory's home on Lincoln avenue.

Misses Margaret and Helen Martin have returned from a trip to Oakland and the bay points.

The Campfire Girls will have their next meeting at the home of Mrs. E. E. Savory.

OILMAN MEETS DEATH AT TAFT

R. D. Smith Is Caught in Bullwheel of Rotary Drill in Field

TAFT, Oct. 25.—R. D. Smith, tool dresser for the Southern Pacific at the 55 B camp near Taft was instantly killed about 3:35 o'clock this morning when he was caught in the bullwheel of the rotary and whipped around the wheel several times before A. D. Mitchell, the driller, was able to stop the machinery. Smith, who was alone in the derrick room at the time of the accident, was evidently caught first in the shoulder by the revolving bullwheel. His head and body down to the hips was mashed to a pulp. His heart was lying on one side of the body, his lungs on the other, and his ribs had been detached from the body. Deceased, who leaves a widow and stepson, residing in South Taft had been a resident of the fields for four years. An inquest will be held Tuesday forenoon. Funeral services will be held Wednesday from Taft with interment in the Union cemetery, Bakersfield.

ENLARGE PARK AT SAN JOAQUIN

SAN JOAQUIN, Oct. 25.—N. D. Ingham is starting work to enlarge the present city park to include the block directly across the railroad.

The first drill of the San Joaquin fire department was held on Sunday to test out the new fire fighting equipment which has just arrived.

The Southern Pacific depot is being given a new coat of paint and a petition has been sent to the railroad asking them to improve the parking surrounding their yard.

Ralph Merritt, associated with Herbert Hoover in farm development, was an enthusiastic visitor here last week.

J. R. Cocnanour has returned from Pismo, Cal., and bought the Stayton place. He and Mrs. Cocnanour expect to make their permanent home here.

W. F. Doubt, H. M. Crooker and N. D. Ingham have let contracts for leveling their lands recently purchased for apricot and prune orchards.

W. R. Stephenson is very busy picking cotton at the present time. Twenty bales have already been shipped.

On Saturday night the new lights on the water towers were used for the first time.

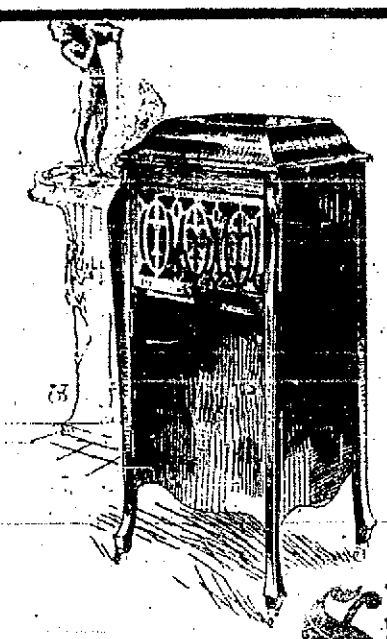

Many visitors are coming to see the wonderful stand of rice grown this year by A. E. Deyo. It is expected that this will yield about 25 to 30 sacks per acre.

A brickyard is being put in by J. E. McDougal close to the present power station.

C. A. Tashion of the Standard Oil company has just added another twenty acres of land to his present holdings here.

Editor S. S. Case of the Clovis Independent was a Sunday visitor, and expects to start a weekly paper here beginning on November 6.

Book's Studio. World's Fair medal.

Coffee Flavor Without a Sting

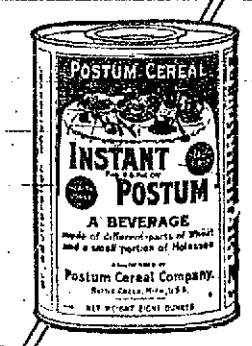

A delightful, comforting, invigorating table beverage of coffee-like taste and appearance, but containing none of coffee's injurious elements.

INSTANT POSTUM

A meal-time drink that brings happiness instead of harm. And its economical, since the cost is moderate, there is no waste and you can make a cup or more at a time, *instantly*, and strong or mild to suit individual taste.

There's a Reason"

Made by Postum Cereal Company, Inc.
Battle Creek, Michigan.

Nature gave us natural cosmetics in Palm and Olive oils—a lotion as well as cleansers. Their action is gentle, they are mild and soothing, as Cleopatra knew.

A secret of the stage
every woman should know

Why you can buy it at the price of other soap

Because Palmolive is so popular that we make it in enormous volume. The Palmolive factories work day and night to supply the demand. The costly ingredients are bought in vast quantities.

The result is a moderate price which puts Palmolive within reach of all. Yet wealth can command nothing better.

Palmolive is sold by all dealers everywhere. It is supplied in guest room size by popular hotels the country over.

For years women of the stage have belied the theory that cosmetics injure the complexion. They use rouge and powder constantly, yet their skins are usually good. They look younger than other women. Actresses seem never to grow old.

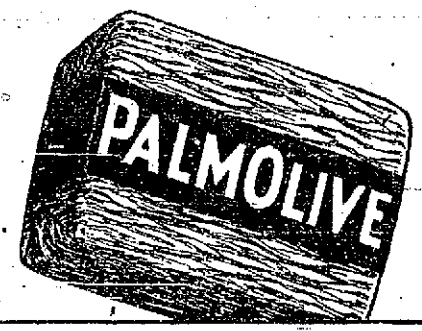

The secret is simple—stage women know that cosmetics should not be left on. They keep their complexions so scrupulously clean that rouge and powder can't harm them.

How you can wash for beauty

By using your own two hands and a cake of Palmolive. Work up a thick, creamy lather and massage it thoroughly into the skin. Be sure every tiny pore and minute gland is cleansed from clogging accumulations.

Then rinse thoroughly—with your hands—until every trace of lather disappears. Apply plenty of Palmolive Cold Cream.

Do this every day and you needn't worry about a little rouge and powder. Your skin will be smooth and fine textured. Blackheads, blotches and pimples will never bother you.

A mild, gentle cleanser

Palmolive is the safe soap—the mild, gentle cleanser because it is made from Palm and Olive oils—the same precious oils Cleopatra used in the days of ancient Egypt.

These natural cleansers were a historic toilet luxury, adorning the sumptuous baths of classic days. Now their scientific combination in Palmolive achieves the greatest luxury of modern times.

THE PALMOLIVE COMPANY, MILWAUKEE, U. S. A.

Judges.
Al C. Joy, Charles Dillon, F. Cheshire.
Physician.
Dr. F. A. Tobin.
Matchmaker.
E. L. Jewett.
Place—Auditorium.
Time—8:30 p. m.

Tonight at the Civic Auditorium, the American Legion will offer a six bout boxing show headlined by two of Fresno's best lightweights, Gene and Johnny Cline.

Johnny, today is suffering from a boil on his arm and was forced to cancel his engagement at Taft last night, where he was scheduled to meet Billy Alvarez, but he says that he will be in perfect trim to meet Gene here tonight in the main event.

Gene completed his training last night and is reported to be in excellent shape for his battle. Although he expects to have a tough four rounds of mauling, he expressed confidence that he would beat his namesake opponent.

A great many fans are of the opinion that it is going to be a bitter contest, and while Johnny will outweigh Gene several pounds, it is reported that Gene will enter the ring a slight favorite.

The winner of this bout has been promised a match with Phil Salvador at Vernon next month, according to a letter received here yesterday from Wad Wadham, matchmaker there.

Jimmy Gleason arrived in town last night and says he is ready to meet Jack Papke. The two reported to Jewett and were warned that they must fight a clean fight, and that they must break clean during the clinches which they promised to do.

If the boys fight a toe-to-toe fight, fans should witness one of the best bouts of the evening as they are evenly matched, both touting a hard wallop in either hand.

Ted Levin will meet Joe Livermore the boy who has cleaned up all comers in this district, and is in good condition and a good bout is expected.

Other bouts are: Freddie Lewis vs. Billy Jordan, Jerry Collins vs. Teddy Dauss and Kid Fields vs. Kid Romano in the curtain raiser. R. G. Copel of Tulare will be the third man in the ring, and he says that he is going to insist on clean fighting and that he will not tolerate stalling.

Matchmaker Jewett stated last night that each one of the fighters has trained hard for the bouts and that there will be no boys entering the ring tonight out of condition. The bouts will start promptly at 8:30 p. m.

City Basketball Team Is Proposed; Meet Wednesday

Preliminary organization of a representative Fresno basketball team will be discussed at a meeting open to all interested to be held at 7:30 o'clock Wednesday evening at the Commercial Club. The team, it is announced, will not conflict with the contemplated schedules of the American Legion or Y. M. C. A. quintets, the idea rather being to form the fastest team available from all the players in the city and which it is expected will be entered in a proposed valley league.

For several years before the war, steps were taken to form a Fresno court team, but lack of a playing floor available for such a venture resulted in its abandonment. This feature has been overcome, it is announced by those behind the present movement and all that is needed are the players. There are a number of fast court players in the city and these men are urged to attend Wednesday's meeting.

With the big interest shown in indoor sport here, it is believed that the time is ripe for a team this year. Games will probably be arranged with several fast teams from San Francisco, Oakland, and Bakersfield.

Early practice is contemplated in order to whip a team in shape for holiday games.

Three Games Today in Senior League

Three interesting games are on schedule today in the Senior League. Three teams are now tied for first place, but according to the managers of the tail end teams, the percentage column will read much different at the end of today's games. The schedule for today is as follows: Washington vs. Holmes at Washington, Tigers vs. Dickey Specials at Dickey, Comos vs. Rainbows at Holmes. The percentages of teams at the end of last week's games are as follows:

	Won	Lost	Pct.
Dickey	3	1	.750
Holmes	3	1	.750
Tigers	3	1	.750
Comos	1	3	.250
Washington	1	3	.250
Rainbows	1	3	.250

Fine Card Arranged For Fans of Kern

BAKERSFIELD, Oct. 25.—George Spencer of San Francisco and Ernie Goozeman of Los Angeles, topnotchers in the fistic game will stage the main event of a good fight show which Tom and Jack Doyle will offer to patrons of the stadium next Friday night. The boys will fight at 122 pounds, and since fighters of that weight have put up some of the best exhibitions seen here of late, the card should prove popular.

Bert Meyers and Fred Young, the former of San Francisco, will meet in the semi-windup. Wildcat O'Brien of Santa Barbara and the Smith stars of the last local program, will meet again Friday. This alone should prove an immense drawing card. Sailor Burrows of San Francisco and Billy Mack of Los Angeles, are also on the bill. Fred Curran of Taft will meet Joe Miller of Bakersfield. Another good bout will be fought by Eddie Stanley of Bakersfield and Tommy Nelson of El Paso.

DELANO LOSES GAME

BAKERSFIELD, Oct. 25.—Bakersfield high school's second team defeated Delano high school first team, a second time, by the score of 27 to 0. The game was played at Delano. The local second team would like to meet some of the other valley second teams.

Six Witnesses in Probe of Baseball

LOS ANGELES, Oct. 25.—Six witnesses were heard here today by the Los Angeles county grand jury in its investigation of alleged corruption in Pacific Coast baseball league games in the 1919 season.

They were "Shine" Scott, colored trainer of the Vernon club; Art Fromme, Vernon pitcher; Pete Schneider, Vernon outfielder; Forbes Alcock, Vernon utility; Victor H. Levy, a Los Angeles merchant; and Matthew Gallagher, baseball writer on a Los Angeles newspaper.

William Rumler, E. J. Mulligan and Jean Dale, members of the 1919 Salt Lake club, whose presence was desired here today, did not appear. Frank W. Stafford, deputy district attorney, who is directing the inquiry, said he hoped they would report Wednesday, when the grand jury will meet again.

Centre College May Play Harvard Again

CAMBRIDGE, Mass., Oct. 25.—Centre College probably will appear again on the Harvard football schedule next year it was said today. The Kentucky team which held Harvard even for two periods in the stadium has been asked to hold open a corresponding date on its next schedule.

Owners of Western League to Assemble

CHICAGO, Oct. 25.—President Al Tearney of the Western League today called a meeting of the club owners for November 8 at Kansas City, the day before the national convention of minor league club owners. The meeting will be held for "general discussion of the present baseball situation" Mr. Tearney said.

BOWLING NOTES

On Sunday, October 31, the opening of the bowling season will take place with an all-day tournament, which is open to all local bowlers. Entries so far are the champion Oldsmobiles of last season, the Auditoriums and Tannahill Questors.

The ten leading averages men in the doubles are: Bullock, 196; Brownell, 195; Fisher, 191; Tannahill, 190; Shafer, 190; Robinson, 188; Smith, 188; Jackson, 186; Snow, 180; Gibb, 180.

BAKERSFIELD IS SEEKING GAMES

High School Football Team Too Fast For Valley Squads

BAKERSFIELD, Oct. 25. — Bakersfield high school in football is too fast for the San Joaquin valley teams of the southern district.

The Fresno high school team was beaten by Fowler Friday, and the Fresno, Reedley and Selma teams which were scheduled to play Bakersfield in the league, have cancelled their engagements with Bakersfield and formed a league of their own.

Bakersfield is left without a league schedule, and Coach Griffith and Principal A. J. Ludden are now at work arranging a new schedule.

The big game will be Armistice Day, November 11, here, between Bakersfield and St. Mary's high school eleven. Games will be sought with Manual Arts, San Diego, Fullerton, Whittier, Modesto, Berkeley, and other schools of Bakersfield's standing in athletics.

The following statement was given to the press last night by the high school authorities here:

"Word was received today by Principal A. J. Ludden that the Fresno county schools had formed a league with Kings county schools, thus excluding Madera and Bakersfield schools, formerly grouped with them.

"At the annual meet of the C. I. F. held in Fresno the first Saturday in October, three leagues were formed Bakersfield being grouped with Reedley, Selma and Fresno. At this time the schedule was arranged by which Bakersfield was to have played Reedley next Saturday and Selma and Fresno later. A letter this morning was the first word the local authorities had of any change in the decision reached at Fresno the first of the month.

"The refusal of the northern towns to meet Bakersfield leaves the local team in a bad way for games during the coming month. Assistant Coach H. A. Spindt has had plenty of chances to sign with southern teams, but did not do so because of the schedule arranged at Fresno.

"The defeat yesterday of Fresno high school by the Fowler high school indicates perhaps one reason why Fresno does not care to meet Bakersfield.

"Assistant Coach Spindt was busy yesterday attempting to arrange at least three games with southern schools for November. It is hoped his games may be arranged with the freshmen of U. S. C., as they have won handily from the best high schools in the south. No pains will be spared to bring here the very best that the state affords.

"The people of the city have supported the games so far, and no games such as that of yesterday will be played if the local authorities can prevent it. The team is the best in years and suitable opponents will be secured in the future."

ARMENIA WINS TURK VICTORY

CONSTANTINOPLE, Oct. 25.—(By The Associated Press.)—The Armenians have defeated the Turkish nationalists at the foot of Mount Ararat, near Etchmiadzin, the seat of the chief patriarch, according to advices received here today.

Georgia has sent an ultimatum to the Turks and Tartars, threatening war unless they withdraw their troops from Georgia's frontiers and also cease menacing Batoum, on the east shore of the Black Sea.

Ban Johnson Calls Baseball Conference

CHICAGO, Oct. 25.—President Ban Johnson of the American League announced today that an informal conference of the American League club owners would be held this week to discuss plans for maintaining peace in baseball.

Phil Ball, president of the St. Louis Americans, will arrive here tomorrow for a conference with President Johnson concerning the proposed reorganization of baseball. It is probable that the date and place for the American League conference will be set at that time.

Armenians Ask For Marines at Batum

WASHINGTON, Oct. 25.—Secretary Daniels has been asked by the Armenian-American Society to send warships to the Black Sea to land marines at Batum to keep open the railroad line from that port to Erivan. Mr. Daniels has promised to take the matter up with Secretary Colby.

A resolution requesting the President to send marines to Batum was adopted by the senate last May 15. It was offered by Senator Harding on behalf of the foreign relations committee. Since that time a number of destroyers have been ordered to the Black Sea, but none of them carried marines.

Wholesale Sugar Prices Are Reduced

MONTREAL, Oct. 25.—Decision to reduce the wholesale price of sugar from $19.50 a hundred to $17.90, was reached at a meeting of the refiners here today.

Chicago Grand Jury Meets Again Today

CHICAGO, Oct. 25.—The special baseball jury will reconvene tomorrow with two witnesses who have not yet appeared before the jurors scheduled to give testimony which officials in the state's attorney's office tonight said "undoubtedly would throw considerable light on the scandal in the 1919 world series and might prove of a sensational character."

Joe Gedeon, second baseman of the St. Louis American League club, and Arnold Rothstein of New York, are the men who are expected to testify.

Gedeon arrived today from his home in Sacramento, Cal., in response to a call from Ban Johnson, president of the American League.

Tennis Title Won By Lindsay Team

LINDSAY, Oct. 25.—Lindsay yesterday won the doubles championship of the Tulare county American Legion tennis league and the Lindsay post is now the permanent holder of the cup. The holder of the singles cup is yet to be decided.

Glen Stanton and Ray Williams represented Lindsay Post No. 128. They won the final match in two straight sets, 6-1 and 6-2. The cup was presented by a Tulare merchant and had to be won three times to become permanent property of any post.

Tulare, Visalia and Lindsay have each won the singles cups once. Singles will be played again in Tulare next Sunday.

French Deputy Is Killed By Auto

PARIS, Oct. 25.—Louis Nail, former minister of justice and member of the chamber of deputies, was struck by an automobile today and died a few moments after in a hospital.

M. Nail, who was a radical Republican, served as minister of justice in the Clemenceau cabinet and previously had been under secretary of state for mercantile marine in the government of Former Premier Briand.

Japanese Lose 14 in Bandit Fight

TOKYO, Oct. 25.—Fourteen Japanese soldiers were killed and nine were wounded in a recent fight with bandits at Chein-Tao, Manchuria, in which the outlaws were routed, say dispatches received here. The bandits lost 16 killed.

ADVISE CHANGES NATIONAL GUARD

WASHINGTON, Oct. 25.—Immediate reorganization of the national guard is deemed advisable, said an announcement today by the war department.

The reserve and national guard officers of the general staff have been ordered to visit each corps area headquarters and advise with the corps area commanders and the state authorities regarding organization of the guard divisions allocated to the various corps areas.

The table of tentative allotments has been prepared, showing the number of troops to be organized in each state, under the national defense act. A minimum enlisted strength of approximately 127,000 men must be provided as the peace organization of the national guard.

Mexico-Kansas City Direct Rail Planned

WASHINGTON, Oct. 25.—The Mexican government and the Kansas City, Mexico & Orient Railway Company have reached an agreement under which the company is to construct a railroad about 35 miles in length from Del Rio, Texas, to Allende, Coahuila on the Mexican international Railroad, the department of commerce was advised today by Trade Commissioner Cunningham at Mexico City.

The new road will afford a direct route between Kansas City and Mexico City with a saving of 24 hours in time, the trade commissioner said, and an equal saving in time on the route to the Pacific coast over the Southern Pacific Railway.

Belgian Cabinet to Wireless Resignation

BRUSSELS, Oct. 25.—The council of ministers met today under the presidency of Premier De la Croix, who drafted the text of the cabinet's resignation. It will be transmitted by wireless to King Albert, who is in mid-ocean, on the way home from Brazil.

The retirement of Premier De la Croix was understood to be due to overwork and attacks upon him from all quarters because of his conciliatory policy.

BOARD PERMITS JAPAN SHIPPING

WASHINGTON, Oct. 25.—The Shipping Board has renewed for another month its permission for Japanese steamers operating between San Francisco and Honolulu to carry passengers. Chairman Benson announced tonight that until American ships were able to handle the passengers it was the policy of the board to allow the Japanese vessels to transport passengers, in order to obviate inconvenience to American travelers.

All bids received for the purchase of the board's $15,000,000 in surplus materials on the Pacific Coast have been rejected as too low, the chairman announced. The board is proceeding to sell the supplies where it can get the best returns, he said.

Blame Coffee Price Drop For Bankruptcy

NEW YORK, Oct. 25.—Decline in the price of coffee and unsettled conditions in Columbia were cited as reasons for the filing of a voluntary petition in bankruptcy today by Heilbron Wolff and company, exporters and importers of this city. The company's petition claimed assets of $2,069,570 and liabilities of $2,100,507.

Wasco Wins Kern League Championship

BAKERSFIELD, Oct. 25.—Wasco won the Kern Fruit Belt baseball league championship and the silver trophy from Shafter here yesterday by the score of 10 to 3. Wyatt Patch finished third, and McFarland fourth in the league. Next year it is planned to have a six team circuit, Delano and Lost Hills being considered for the new teams.

Dear Old Pete!

Just wound up the one swellest day of my life! Since early this a.m., when I got an invitation to visit R. J. Reynolds Tobacco Co. factories, I've been in the midst of millions of Camel Cigarettes! Yes sir, right from the rooms where the choice Turkish and Choice Domestic tobaccos go into Camels unbeatable blend, straight through to the loading platforms where cases holding 10,000 Camels each are packed into car after car for shipping to every corner and cross roads in the U.S.A!

Man—the happiest idea you or I ever had as to the size of this Reynolds enterprise, or the number of Camels manufactured daily, is simply piker-stiff! Why—Pete, it seemed to me like a couple of those cigarette-making machines could keep half the nation smoking Camels steadily—BUT—there are hundreds of these machines putting out Camels at 27,000 an hour—EACH!

And, Pete, you wouldn't have to consult a guide book to know you were in the Camel factories! The atmosphere is just charged with that wonderful aroma you get when you open a deck of Camels! And, you know, old elephant, you've had a trunk full!

I stood by one of these machines, fascinated, and figured the delight each Camel would supply! And, how Camels mellow, mild body would hit the right spot and how Camels refreshing flavor would cheer up some smokers jaded appetite! And, each Camel free from any unpleasant cigarette aftertaste or unpleasant cigarette odor! And—

Pete, I'll have to lay off and light another Camel! Write you some more soon, old Camel-o-pard!

Yours Joyously
Shorty.

GRAIN STOCKS

CHICAGO, Oct. 25.—Wheat prices developed weakness today, largely as a result of assertions that as low as $1.50 a bushel had been accepted for wheat in Nebraska. The market closed unsettled, at the same as Saturday's finish to 1c lower, with December $1.99⅞ to $1.99½, and March $1.92⅞ to $1.93. Corn finished at 1½c decline to ¾c advance, oats off ⅛ to ½c, and provisions unchanged to 40c down.

Large receipts of wheat at Omaha and an increase in the country's visible supply were bearish factors.

Corn and oats paralleled the action of wheat. Liberal receipts of corn here counted as a separate bearing influence.

Provisions were depressed by much lower quotations on hogs.

CHICAGO, Oct. 25.—Close:

Wheat—Dec., $1.99½; March, $1.92⅞.

Corn—Dec., 79¾c; May, 84½c.

Oats—Dec., 52½c; May, 55⅞c.

Pork—Nov., $22.50; Jan., $23.90.

Lard—Nov., $18.22; Jan., $16.27.

Ribs—Oct., $16.75; Jan., $13.65.

SUGAR

NEW YORK, Oct. 25.—Raw sugar, $8.53 for centrifugal. Refined fine granulated, 11@12c.

MONEY

NEW YORK, Oct. 25.—Liberty bonds close: 3½s, $92.90; first 4s, $89.00 bid; second 4s, $89.90; first 4¼s, $90.12; second 4¼s, $88.53; third 4¼s, $90.86; fourth 4¼s, $88.76; Victory 3¾s, $96.24; Victory 4¾s, $96.20.

Prime mercantile paper, 8 per cent.

Exchange, firm; sterling demand, $3.47½; cables, $3.48¼.

Time loans, steady; 60 days, 90 days and six months, 7¾@8 per cent.

Call money, strong; high, 10 per cent; low, 8 per cent; ruling rate, 8 per cent; closing bid, 9 per cent; offered at 10 per cent; last loan, 10 per cent.

WALL STREET FINANCE

NEW YORK, Oct. 25.—Efforts by professional traders to create a pre-election boom in the stock market today met with scant success, financial and industrial conditions acting as a check upon speculative excesses.

The money market reflected last week's higher rates for call loans and the heavy deficit in actual reserves of clearing house banks. Today's opening rate was eight per cent, with an advance to ten per cent in the last hour. Withdrawal tomorrow of $25,000,000 government funds by the Federal reserve bank also contributed to the stringency.

Cables from London strengthened the belief that events were shaping toward an early solution of the British labor situation. These were supported by a brisk rally in sterling exchange, which rose 6¾ cents over the recent low quotations.

Steels were among the few active and strong issues of the session, including the premier stock, United States Steel. Directors of that corporation are to meet tomorrow to act on the dividends and make public the financial report for the year's third quarter.

Oils, coppers and sugars, utilities and sundry specialties embraced the other prominent and variably higher stocks, but rails were dull and mostly heavy with tractions and shippings. United Fruit featured the late decline at a net loss of 7¼ points and Coca Cola lost 4¾ points on rumors of unfavorable dividend action. Sales amounted to 475,000 shares.

Trading in bonds was comparatively light and narrow, all domestic issues, including Liberties easing, with heaviness in local utilities and no feature in the active foreign flotations. Total sales, (par value) aggregated $13,550,000. Old United States bonds were unchanged on call.

RECORDED DEEDS

A. M. Northrup et ux to Cora May Loyd, lot 2, section 28, township 17 south, range 21 east, also block 16 and 17, West Laton Addition, $5,000.

Put Some Money to Work in German Marks

Probable profits on 100,000 Marks if they go to $11.90, one-half their normal value ($23.80), $7,350.00.

You Can Secure Six Months' Option on Marks as follows:

Price of Options	German Marks Lires and Francs	Profit at Advance of 1c
$ 40.00 controls	10,000	$ 100.00
75.00 controls	20,000	200.00
85.00 controls	25,000	250.00
150.00 controls	45,000	450.00
165.00 controls	50,000	500.00
300.00 controls	100,000	1,000.00

If you have not received a profit by the expiration date of option you have the privilege of buying marks outright at the spot value on that day.

The amount you have paid on the option will be credited to you toward the purchase of marks outright. There is no risk beyond cost of option and no margin calls.

Germany is rapidly getting to work. Her factories are humming and all industries are beginning to show old-time efficiencies. Any day marks are liable to advance from 3 to 10c. Fortunes will be made overnight by those who are farsighted enough to take advantage of this present opportunity.

We cannot urge too strongly the advisability of taking advantage of this proposition by tying up as large amount as one can afford, while the exchange rates are at these low figures. Do not fail to act on this promptly.

Forward remittance today for six months' option on either 10,000, 20,000, 50,000 or 100,000 marks. Wire reservation today, as price is subject to advance overnight. Wire, write or call for information on options. Ask for circular A-25.

The Gasoline of Quality

Facts About Japanese Land Holdings

In spite of the erroneous and exaggerated ideas of many anti-Japanese debators, and Americans in general, about Japanese ownership and control of land in California, the real truth of the matter is that Japanese hold only about 1-3281 of the total land area of California, and not more than 1-921 of the total farm acreage of the state.

A recent investigation by the California Central Farmers' Association shows that Japanese hold only 27,000 acres of the total 99,617,280 acres in California. This 27,000 acres includes all land bought by Japanese prior to the enforcement of the California land law, effective in 1913, and land purchased in the names of children after the land law went into effect.

No Danger of Japanese Land Control

Assertions that Japanese are now forming corporations with Americans and are gaining control of land to such an extent that soon all the land in California will be in their hands, are mere idle rumor. It is true that Japanese are becoming to some extent, shareholders in corporations formed to develop land, but a careful study of California's needs should convince anyone that this is not endangering California, but on the contrary is materially hastening and increasing the development of land that is now unproductive. It is to the interest and welfare of Americans to increase productiveness, and if this can be done by obtaining the undisputed superior agricultural skill of Japanese by permitting them to become shareholders, it is for the general good of the state.

They Undertake to Develop Land Where Others Would Not Try

The Japanese have already demonstrated their agricultural skill, instilled into them since centuries ago, by turning into productive fields some of the poorest land in the state. Examples of this are lands in the vicinity of Florin, Livingston and Bowles. The Japanese study soil conditions, latest methods of cultivation and irrigation, for the purpose of becoming as proficient as possible in agricultural pursuits. They undertake to develop lands where others would not try, and they will produce crops that others will not because of the hard toil and perseverance that is required.

It is just such care as this in production that will be required to develop California lands and take care of the ever-increasing demand for agricultural products. Is there just reason why the Japanese, who have already done so much in this line, should not be allowed to continue, since it will be for the good of the state as well as for their good, so long as they conduct themselves properly, respect the rights of those who were here before them, and continue to live up to American principles.

Federation of Japanese Association in Central California

REPUBLICAN ADS PAY

DO NOT CONCEDE FEDERAL CONTROL RAILS IN STATES

Declaring that its recent decision in the matter of increasing railroad rates in California to place them on a parity with the rate increases allowed by the Interstate Commerce Commission, was based on the policy and practical needs of the situation rather than what it construed to be a mandate of the law, the California Railroad Commission in a letter to the Interstate Commission, has further declared that it wishes to re-affirm its opinion "that the powers of state authority over intrastate rates have not been nullified or reduced by the Transportation Act." Enclosed with the letter was a copy of the California Commission's rate decision in which the commission voiced its opinion, that practical necessity demanded the adoption of Interstate Commerce rates for intrastate rates and to which the attention of the Interstate Commerce Commission is directed. The California Commission then says:

"We are now without challenge exercising full jurisdiction over state rates."

There are now pending before the Interstate Commerce Commission several cases involving the power of that body to increase state rates resulting from the failure or refusal of several state commissions to place state rates on a parity with the increased rates authorized by the Interstate Commerce Commission. The California commission was asked to join with other commissions in a presentation of its views on the matter, but did not do so "because time and distance did not permit of the receipt and study of the proposed presentation of other states." On this point the California commission says:

"However, to whatever extent the views of this commission may differ with the views of those state commissions which refused to adopt the increases granted by the Interstate Commerce Commission, we desire to emphasize complete agreement and accord with any and all state commissions in so far and to the extent that such commissions defend the legal right of state commissions to determine, fix and establish reasonable rates for intrastate business. To that extent it is this commission's desire to adopt and stand with all other state commissions entertaining similar views."

POLICE COURT NOTES

Jesus Felix was held to answer yesterday to the superior court on a charge of burglary by Judge Graham.

J. C. Davis was fined $30 by Judge Graham upon pleading guilty to a charge of reckless driving.

Y. Yamaguchi was fined $20 by Judge Graham yesterday on a charge of cutting in, after pleading guilty.

Bruce Fleming, charged with indecent exposure, pleaded not guilty in Judge Graham's court yesterday and was released on $500 bail.

S. Appel, charged with speeding, pleaded guilty and was fined $10. Charles Sulabeck, arrested on a similar charge, was also fined $10.

Pete Pappas, charged with violation of the weights and measures act was arrested yesterday and after pleading guilty in Judge Graham's court was fined $10. E. N. Dooras and Tony Hasaka, charged also with violating the same law were arrested and will appear in court today.

R. H. Rosebarry, arrested in Visalia Saturday on a charge of drawing a check for $19.50 on Dermer Co., without having sufficient funds in the bank, was arraigned before Judge Graham yesterday and held under $1,000 bonds.

Ed. Shine, charged with transporting liquor pleaded guilty in Judge Briggs' court and was given a 75 day sentence in jail.

J. Duane, charged with reckless driving, pleaded guilty and was fined $25 by Judge Briggs.

G. G. Sagalikian, A. Georgian and C. H. Shingledecker, who were charged with disturbing the peace, pleaded guilty and were fined $5 each by Judge Briggs.

Henry Jackson, charged with having lottery tickets in his possession, pleaded guilty before Judge Briggs yesterday and was fined $25.

Hi Loy, charged with conducting a Chinese lottery joint, pleaded guilty and was fined $25.

Buster Brown, charged with vagrancy, was given a 180 day floater out of town by Judge Briggs.

Harry Van Wormer, charged with disturbing the peace was given a 60 day sentence with commitment withheld.

Frank Alcrace, charged with vagrancy, pleaded guilty and was given a 180 day floater by Judge Briggs.

Cornelius Quinn, a second offender charged with being drunk, pleaded guilty yesterday and was given a 10 day jail sentence.

V. Vartikian, charged with reckless driving, pleaded guilty and was fined $10 by Judge Briggs.

Jose Hernandez, charged with carrying concealed weapons, pleaded guilty and was fined $25.

LEGAL NOTICE

CERTIFICATE OF INDIVIDUALS DOING BUSINESS UNDER FICTICIOUS NAME

State of California,
County of Stanislaus, ss.

We, the undersigned, do hereby certify that we are the only persons interested in transacting business in the County of Fresno, State of California, under the name and style of Auto Electric Service; that the principal place of business is number 2120 Tuolumne Street, in the City of Fresno, County of Fresno, State of California; that our full names are Harry Townsend and Zenas Anderson MacClain; that our residence is Fresno, County of Fresno, State of California, and that there are no other parties interested in or connected with said business.

In witness whereof, we have hereunto set our hands and seals, this 12th day of August, 1920.

HARRY TOWNSEND
ZENAS ANDERSON MACCLAIN

State of California,
County of Stanislaus, ss.

On this 12th day of August, 1920, before me, E. N. Clark, a notary Public in and for said County and State, residing therein, duly commissioned and sworn, personally appeared Harry Townsend and Zenas Anderson MacClain, known to me to be the persons described in and who executed, and whose names are subscribed to the within and foregoing instrument, and they acknowledged to me that they executed the same.

In witness whereof, I have hereunto set my hand and affixed my official seal at my office in the County of Stanislaus, State of California, the day and year in the Certificate first above written.

(SEAL) E. N. CLARK,
Notary Public in and for the County of Stanislaus, State of California.

NOTICE OF APPLICATION TO APPROPRIATE WATER

Application Nos. 1341, 1342, 1343, 1344, 1345, 1346, 1351.

State Water Commission of California, 632 Call Building, 74 New Montgomery St., San Francisco, Calif.

Notice is hereby given, that the Southern California Edison Company, Edison Building, Los Angeles, California has under date of July 3, 1919 applied to the State Water Commission of California for permits to appropriate for the purpose of generating electrical power, the waters of several streams in Fresno County and Madera County as hereinafter described under each application. These streams are the San Joaquin River and tributaries thereof. The diversions are to be made continuously throughout the year and the total amounts to be so diverted are given in terms of acre feet per annum. The maximum rate at which it is proposed to divert directly from stream flow is stated in terms of cubic feet per second. The places of use will be several powerhouses, the locations of which will be as follows:

Powerhouse No. 1—Is on Big Creek in NE¼ of SE¼ of Section 23, T. 8 S, R. 24 E. M. D. M.

Powerhouse No. 1a—Is on Shaver Lake in NE¼ of NE¼ of Section 15, T. 9 S, R. 24 E. M. D. M.

Powerhouse No. 2 and 2a—are on Big Creek in SW¼ of SW¼ of Section 25, T. 8 S, R. 24 E. M. D. M.

Powerhouse No. 3—Is on the San Joaquin River in NW¼ of SE¼ of Section 8, T. 9 S, R. 24 E. M. D. M.

Powerhouse No. 4—Is on the San Joaquin River in NW¼ of NW¼ of Section 20, T. 9 S, R. 23 E. M. D. M.

Powerhouse No. 6a—Is on the San Joaquin River in NW¼ of Section 30, T. 6 S, R. 25 E. M. D. M.

All water so appropriated will be returned to the San Joaquin River at powerhouse No. 4, in the NW¼ of NW¼ of Section 20, T. 9 S, R. 23 E, M. D. M.

APPLICATION NO. 1341.

Source—Mono Creek. Amount—146,000 acre feet per annum. Maximum direct diversion—300 cubic feet per second. To be diverted in the SE¼ of the SE¼ of Section 26, T. 6 S, R. 27 E. To be regularly used at Powerhouses 1a, 2a, 3 and 4, or alternatively at Powerhouses 1, 2, 3 and 4, or alternatively at Powerhouses 6a, 3 and 4.

APPLICATION NO. 1342.

Source—Bear Creek. Amount—41,000 acre feet per annum. Maximum direct diversion—600 cubic feet per second. To be diverted in the SE¼ of the SE¼ of Section 21, T. 6 S, R. 28 E. To be used as noted in application 1341.

APPLICATION NO. 1343.

Source—S. fork of San Joaquin River. Amount—229,000 acre feet per annum. Maximum direct diversion—1,000 cubic feet per second to be diverted in the NW¼ of the NW¼ of Section 16, T. 8 S, R. 28 E. To be used as noted in Application No. 1341.

APPLICATION NO. 1344.

Source—S. fork San Joaquin River. Amount—41,000 acre feet per annum. Maximum direct diversion—1,000 cubic feet per second. To be diverted in the NW¼ of the NE¼ of Section 1, T. 8 S, R. 27 E. To be used as noted in Application No. 1341.

APPLICATION NO. 1345.

Source—Pitman Creek. Amount—50,000 acre feet per annum. Maximum direct diversion—250 cubic feet per second. To be diverted in the SE¼ of the NW¼ of Section 35, T. 8 S, R. 25 E. To be used at powerhouses 1a, 2a, 3 and 4 or alternatively at powerhouses 1, 2, 3 and 4.

APPLICATION NO. 1346.

Source—Stevenson Creek. Amount—52,000 acre feet per annum. Maximum direct diversion—1,500 cubic feet per second. To be diverted in the NW¼ of the SE¼ of Section 12, T. 8 S, R. 24 E. To be used at powerhouses 2a, 3 and 4.

APPLICATION NO. 1351.

Source—San Joaquin River. Amount—1,214,000 acre feet per annum. Maximum direct diversion—2,200 cubic feet per second. To be diverted in the NW¼ of the NE¼ of Section 11, T. 7 S, R. 24 E. To be used at powerhouses 3 and 4.

Any person desiring to protest against the granting of such permit shall within thirty days after date of last publication hereof file with the State Water Commission, Call Bldg., San Francisco, a written protest, stating reasons therefore.

Dated: San Francisco, Calif., October 17, 1920.

STATE WATER COMMISSION,
By CHARLES H. LEE,
Executive Member.

Date of first publication October 19, 1920.

Date of last publication November 9, 1920.

SACRIFICE
At Private Sale
As I am putting up my alfalfa and planting grapes, I have decided to close out my herd of Union and Pathfinder Durocs, all registered. This is all high grade stuff and has been selected with a great deal of care. Any one desirous of the best bred stuff in the country will benefit by communicating with me or visiting my ranch.
The stock consists:
8 Tatiador sows, 2 years old.
15 Yearling gilts, sired by the Great Orion, world's champion in 1918.
Some are open gilts, and some bred to my herd boar, Western Pathfinder, a son of old Pathfinder, who sired Queen of Pathfinders, champion sow at the international swine show at 1918, Ace of Pathfinders, the Diamond Ace's champion boar, and many other prize winners. Old Pathfinder is considered the greatest sire living today.
I have also:
15 gilts, and
6 Boars, of April farrow, sired by Western Pathfinder. Boars are ready for service. Western Pathfinder was bred by Banks & Bishop, owners of Old Pathfinder himself, and will also be sold.
Don't miss this opportunity of getting into the best line of breeding in America.

BUSINESS OPPORTUNITIES

OUR NEXT PRESIDENT!
There are three men of considerable note,
For two of them you will soon have a vote.
One of the two Our President will be,
While up the River of Salt the other will flee.
The issues they are discussing of today,
After election they will have very little to say
About the League of Nations or King Alcohol;
To be president is the main issue, after all.
After these two men have received their fate,
Then business will settle down to an even gait.
The other man of note, I must forget to tell,
Has everything in the line of Business to Sell,
In the Storm Bldg., on the fifth floor.
You will find the third man is your old friend,
J. E. Alcree.
In handling your business you will find him fair;
He deals in propositions that are on the square.

EDWARDS INSURANCE AGENCY, 1919 B'dwy.

THOUSANDS OF ACRES
of land in Kern county—Had by non-resident owners
Can now be purchased—At low prices
We have been extremely fortunate in getting in touch with many non-resident owners of land in Kern county, and in getting them to place it on the market through us; the prices that they have given us are extremely reasonable; in fact compared to what land is quoted at elsewhere, it is extremely cheap. It is not, however, "cheap land," for it is some of the best that can be found, not only in Kern county, but in the San Joaquin valley, and some of it is ideal grape land.
Remember—Kern county shipped the first grapes this year and much of this land lies in the same territory that these grapes were grown.
Kern county's agricultural resources have only just been scratched; grapes, cotton, deciduous fruits, oranges, lemons, grapefruit, figs, etc., have all been successfully grown, and they have reached the market "Ahead of all others."
Kern county has the climate and water. The land is waiting to be developed—and it always success and prosperity—to those who take the opportunity now.
Your first crop will pay for the land—the land will more than double in value in five years!
What will it do if planted to grapes?
Our Policy
It is our policy to never sell or advertise any property that we do not think is worth the price asked by the owner—in fact, we do not even list property until we have inspected it.
This policy has made this office the largest real estate office in Kern county, and has made both buyers and sellers satisfied in every way, and has made for us their friendship.
This policy we intend to strictly adhere to at all times and under all conditions.
Should you desire any information regarding Kern county, call on C. G. Bray, 504 Mason Bldg., Fresno, who will endeavor to give you the information desired and you will not be obligated.
C. G. Bray
504 Mason Bldg. Fresno Representative of
W. P. BRAY—JAMIE THOMAS
Kern County's Largest Realty Operators

RENFRO & O'BRIEN
219-220 Mason Building.

How would you like to buy anything from 10 acres up and pay only 1-4 cash, then nothing but interest for the next 4 years? Where there is plenty of water—and land that will produce 6 crops of alfalfa per year, and will grow all other kinds of annual crops. In a real cattle and hog country, close to the highway, and within 30 minutes' ride in your automobile of three of the best towns of the valley?
We can sell you just this kind of land out of the new subdivision we are just placing on the market in Tulare county. Price only $125 per acre on the above terms. Think this over. You are offered something good.

RENFRO & O'BRIEN
219-220 Mason Building

CITY SPEEDING UP SEWER WORK NORTH FRESNO

Special Meeting Trustees Held Yesterday With Contractors

Residents Complain of High Charges For Sewer Connections

Conferences which began last week in the office of Mayor Toomey reached a climax yesterday morning in a special session of the trustees with the city engineer and the city attorney, the purpose of which was to put into execution immediate measures for rushing the sewer work in the North Fresno district.

The sewer construction has been held up on account of lack of ditch machines, and property owners of the district are registering complaints on account of the lack of action. Last week Mayor Toomey made a special trip to Los Angels in an effort to secure machines to be used by Thompson Bros. on the sewer work. Later he wired to Gould & Keife, contractors, of Sacramento, for men, and to see if additional machines could be obtained. The Sacramento men replied, according to Mayor Toomey, that they would be willing to send additional machines here only if they were permitted to take over the entire sewer job; they would not lease the machines to the city. In Los Angeles the mayor had now found available machines.

O. M. and Claude Thompson ordered two ditch machines sixty days ago, one of which was shipped August 20 from Chicago, over the Santa Fe, and the other was shipped August 18 from Piffey, Ohio. The length of time taken by the railroad to deliver the machines had already brought about an investigation of the movement of the cars, and yesterday Mayor Toomey called on Agent Hatfield of the Santa Fe to assist the city in tracing the cars and rushing them to their destination. Hatfield, said the mayor last night, is engaged in tracing the cars and will rush them through to Fresno. Thompson Bros. assured the trustees yesterday that as soon as the machines arrive the contractors will rush the construction work on the sewers.

It developed during the meeting yesterday that several residents of the district have complained that the contractors are charging from $2 to $3 per foot for making connections. Thompson Bros. assured the mayor yesterday that they now have an organized crew for this work, and will put in the connections for $1 per foot.

"While the first bid on the sewer work was $1.18," said Mayor Toomey yesterday, "which the trustees rejected, the second bid was $1.48, but the contract with Thompson Bros. as arranged by the city means that the work can be done for $1. Up to last reports, the work was costing only 85 cents per foot, in spite of several breakdowns in the machinery. Around Thorne and Palm avenues, where there is considerable hardpan, the machine is making on some days only 125 feet, but when the two new machines arrive a total of 1,500 to 2,500 feet will be excavated, according to the mayor.

Native Daughters to Give Party Tonight

The entertainment committee of the Native Daughters are planning a party for this evening in Odd Fellows hall, the appointments of Hallowe'en to be carried out in decorations. A surprise luncheon will be served.

Native Sons are invited.

Symphony Orchestra Has Rehearsal Here

The most successful rehearsal for this season of the new Fresno Symphony Orchestra, organized by Earl Towner and under the direction of the Fresno evening high school, took place last night in the auditorium.

The orchestra numbers forty members and the different parts being well balanced. The strong section deserves special mention.

The following towns are represented in the orchestra: Orange Cove, Hanford, Dinuba, Selma, Caruthers, Madera and many players come from districts distant from the city.

There are to be four appearances of the orchestra during the coming season, the concerts being given in the White Theater when the public is to be offered some of the best music in the state at no expense to those who hear the concerts. Definite preparation is now under way for the first of these concerts.

The new orchestra will take its part during the holiday season when the "Messiah" will be presented by the Choral Society of the San Joaquin Valley. This singing organization will have for its chorus two hundred to five hundred voices.

CLAIM JEWELER EXCHANGED RING

District Attorney's Office Issues Complaint on Merchant

On the accusation that he exchanged a valuable diamond ring left in his care for a smaller and inferior stone, H. Sparber, a Tulare street jeweler, was made the defendant in a criminal complaint issued yesterday by Deputy District Attorney B. W. Gearhart.

The complaint charged embezzlement with Lawrence Shaker as the complaining witness. Shaker told the officers he had taken his ring to Sparber for repairs but was advised that a new setting was required, so left it for this work.

On Saturday, Shaker said, he returned to the jewelry store to claim his ring and received one containing a flaw and just half as large as the original. Shaker stated he was the son of a jeweler and because of the knowledge of stones gained in his father's shop, easily detected the alleged change.

The district attorney's office during the day also issued an embezzlement complaint against E. E. Fleming, an automobile salesman, on the allegation that he borrowed a car he had just sold and had failed to return it. Fleming, who has been in the automobile business for more than ten years, is said to have fled the county.

RED CROSS SHOP.

Sales amounted to $72.75 at the Red Cross Shop yesterday, with the standing committee in charge. Today, members of the Reorganized Latter Day Saints will have charge.

FIGHT AGAINST GERMAN PASTOR REACHES COURT

Factional Fight in Free Evangelical Lutheran Church Is Aired

Number of Parishioners Ask Order Restraining Excommunication

A factional fight in the German Free Evangelical Lutheran church of Fresno, centering about the pastor, Rev. C. W. Wolters, reached the courts yesterday when a group of thirty-three members of the congregation and heads of families joined in a suit to sustain their connection with the church.

The complainants are headed by Jacob Christian, J. H. Stelz and Conrad Kinzel and claim they represent approximately 95 communicants of the church, or about one-third its numerical strength. The defendants are the church corporation, the German Free Evangelical Lutheran Kreuz Kirche, Rev. Wolters, H. P. Stelz, president, and Conrad Stelz, secretary.

A stormy and exciting congregational session held on Oct. 4 is made the basis for the legal action, brought through Attorney Ernest Klettie. At that meeting demands for the resignation of Wolters on grounds of alleged immorality and acts unbecoming a minister of the gospel were presented.

As a result of this assault, Wolters and other officers of the church are alleged to have threatened to strike the names of the protestants from the membership rolls and excommunicate them from all further relationship with the church organization.

The complainants reiterate in the pleadings, the accusation against Wolters, charging that he "is an immoral person and not a fit and proper person to be the pastor of said church." They ask the court to sustain them in their position and to issue an order restraining the church officials from striking their names from the membership.

The further allegation is made that Wolters and his supporters, as represented by the church president and secretary, threatened to remove J. A. Stelz and C. A. Miller from their elected positions as trustees.

Rev. Wolters has been pastor of the church for several years but in recent months his tranquil tenure of the pulpit has been disturbed by the circulation of many stories concerning his conduct and a resultant strong move among his parishioners are for his unseating.

"My clients inform me that in reality they represent a fair majority of the members of the church. They also state they are prepared to prove when the court requires it, the charges of improper conduct made against Pastor Wolters," said Attorney Klettie yesterday.

Eleven persons were fined $2 yesterday for violating the parking ordinance. Two were suspended sentences and one was fined $10 for speeding by Judge Briggs.

Home Department to Dine at Y. W. Tonight

The home department of the Young Women's Christian Association will have a dinner at the association building this evening, a committee of the home girls assisting.

Wednesday evening the Round Triangle girl reserves of the high school will give a Hallowe'en party.

The executive council of the Fresno Business Women's Club, composed of the officers of the organization, will meet with Miss Maude Wolff, general secretary of the Y. W. C. A., Thursday evening at a council dinner.

Steal Horse; Charged With Grand Larceny

Ram Singh and Tera Singh were arrested by Constables Ford and Harkness yesterday on a charge of grand larceny. The men are definitely accused of having stolen a horse from Frank Morris, a farmer of Fowler. They were arraigned by Judge Graham and held under $1000 bonds yesterday.

FORM DISTRICT P.T. ASS'N HERE

State Head Organizes Five Counties; Elect Officers

Mrs. Harry J. Ewing, state president of the California Congress of Mothers and P. T. Associations was in Fresno yesterday and organized a district composed of Merced, Kings, Tulare, Madera and Fresno, the following officers being elected: President, Mrs. W. B. Ingram, Oilfields; first vice-president, Mrs. Clara B. Crews, Riverdale; second vice-president, Mrs. R. A. Catlin, Kingsburg; recording secretary, Mrs. E. M. Wright, Fresno; corresponding secretary, Mrs. Hughes, Coalinga; financial secretary, Mrs. H. P. Sargent, Atwater; treasurer, Mrs. L. Norwood, Fresno; auditor, Mrs. J. T. Lee, Fresno; historian, Mrs. C. L. Wood, Claremont; parliamentarian, Mrs. J. O. Cross, Fresno.

A committe to draft a constitution was appointed composed of the following members: Mrs. Cross, Mrs. Aynesworth and Mrs. Catlin; Mrs. Nishkian, Mrs. Lich and Mrs. Cornell were appointed on the program committee.

GRANT CERTIFICATES.

FIRE DAMAGES SKY SCRAPER

Room on Ninth Floor Mattei Building Is Burned

Fire in the Mattei building early last evening caused damage amounting to about $1,000. The blaze was discovered by the watchman in an office occupied by a physician on the ninth floor.

By the time the apparatus had arrived the entire room was a mass of flames and the dense amount of smoke emanating caused the firemen much inconvenience in attempting to stop the flames. The congestion of the street and the height of the building prevented speedy action in getting the flames under control.

The fire started, it is said, from a lighted gasoline torch left in the office by a plumber. The flames from the torch ignited combustible material which had been scattered about the floor following the unpacking of furniture during the day. Some furniture and woodwork was destroyed.

The blaze had been burning in the room for about half an hour, it is thought, and was confined to the room because of fireproof construction.

Ready to Start Y. W. Home in November

Everything is in readiness for beginning work on the new home of the Young Women's Christian Association building and the committee is only awaiting the arrival of the architect. Miss Julia Morgan of the Pacific coast field, from Hawaii, where she has been erecting a Y. W. C. A. building.

The building, which is to be located at San Joaquin and M streets, will be started early in November, and will be completed in the early summer.

For lower rents and food aplenty, vote YES, Amendment Number Twenty.

Plans Progress For Dr. Marvin's Lectures

Plans for the lecture of Dr. W. H. Marvin are progressing under the direction of a number of committees appointed last week, and all organizations in the city are to be systematically approached. Sub-committees are being appointed from the different organizations, including both labor and fraternal. Miss Ella Towle is to be chairman of the committee to secure the co-operation of the employed social workers.

Dr. Marvin will be in Fresno for five days, starting on November 8, the afternoon meetings being held in the council chamber of the city hall each day at 4 o'clock. The hall for the evenings will be announced later.

Attorneys Support Third Amendment

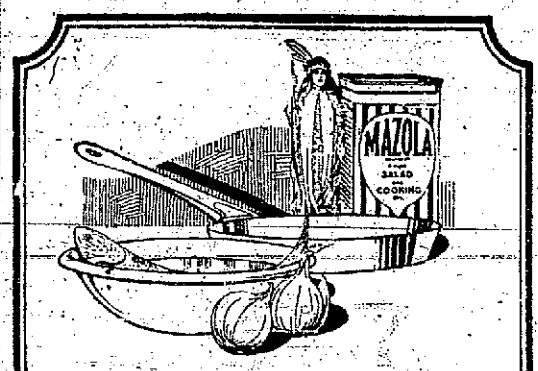

Frank Willey was named chairman of a committee of three authorized by a meeting of the Young Lawyers' Club yesterday to assist in the campaign in Fresno county in support of Amendment No. 3, on the November 3 election ballot. This amendment approves an increase in the salaries of supreme and appellate court justices.

The other members of the committee were Edward Schary and C. M. Ozias. The committee was instructed to confer with members of a similar body from the Fresno County Bar Association to formulate plans for placing the amendment intelligently before the voters.

W. O. W. to Hear Talk on Anti-Vivisection

At the regular meeting of Manzanita Camp, Woodmen of the World tonight, Dr. Cross will address the members on the anti-vivisection amendment, and other speakers will be present to speak on the different amendments.

C. M. Cowan, Cal Everett and Thomas E. Helsin, charged with being drunk, pleaded guilty before Judge Briggs and were given alternate sentences of $10 fines or 10 days in jail with commitment withheld.

FRESNO BUILDING CORPORATION

8% CUMULATIVE PREFERRED STOCK

Par value, $100. Preferred as to dividends and assets over the Common Stock. Dividends payable quarterly on February, May, August and November 1st. Callable in whole or in part at 105 and accrued dividend. Free from Personal Property Tax and normal Federal Income Tax.

CAPITALIZATION

	Present Amount Outstanding	To Be Outstanding After This Issue
8% Cumulative Preferred Stock, (Par value $100)	$ 40,000	$200,000
Common Stock, (Par value $100)	100,000	100,000

THE COMPANY HAS NO BONDED INDEBTEDNESS

This issue is the cumulative, preferred stock of a going, prosperous company engaged in the building and sale of homes in Fresno and vicinity. The company owns and operates its own mill, yards, buildings and all equipment necessary in building operations.

The earnings of the company on present capitalization are 2½ times the dividend requirements of the preferred stock. On completion of the present financing it is conservatively estimated that earnings will be 6 times preferred dividend requirements.

The company sells its properties on a commission basis, through an efficient, aggressive, sales organization. None of the officials of the company are paid salaries. Among the stockholders are some of the most alert and progressive business men of Fresno.

On completion of the present financing, net assets will be more than $170 on each share of outstanding preferred stock. The safety of the preferred stock is secured by over 100 high class homes here in Fresno, bought under contract and occupied by Fresno's best people; and by over $50,000 of building equipment, machinery and building materials.

The money derived from the sale of this preferred stock will be spent right here in Fresno to build more homes for Fresno people. The demand for homes is far in excess of the supply which assures a prompt sale, often before the building is completed.

The preferred stock of the Fresno Building Corporation is an INVESTMENT of the highest type, in an established, successful, well-known, local company, and yields an extremely high rate of interest in view of the great margin of safety accorded the issue.

Subscriptions are for cash or on deferred payment plan, 30% down and the balance in twelve equal monthly payments. Any amount may be purchased.

Fully paid preferred stock will be accepted by the company at full par value, as a payment on any property purchased from the company at any time.

Issue authorized by the State Commissioner of Corporations, July 8, 1920. (File No. 7270.)

Price $95 and Accrued Dividend to Yield 8.4%
